

## Closing Employee FAQ

### **1. Why is the Company closing this specific practice?**

We have filed Chapter 11 to facilitate the wind down of operations and ultimately the liquidation of the Company. We explored all options for continuing the business, including a sale of all facilities, but were unable to do so without additional funding and time. This practice is one of several unprofitable locations that could not be sold and ultimately had to be closed.

### **2. What is happening at the other locations? Are all locations being closed?**

The Company is in the process of transitioning certain medical practices to their physician partners or other providers. Other profitable locations are continuing operations while being marketed for a sale.

### **3. How long will my job continue?**

June 20th will be your last day. You will receive your last payroll check, which will include any and all state mandated pay, including vacation, you are entitled to. \*\*Only California and Colorado require that accrued vacation days be paid to separated employees.

### **4. Have all positions in the Company been eliminated?**

The Company will maintain a group of employees to help with the wind down and sale process, along with the employees at the various practices that will be sold or transitioned during this process.

### **5. When will I receive my last paycheck?**

You will receive your final paycheck today, June 20.
