Please find enclosed with this letter your copy of the income tax returns for Foxwood Hills Property Owners Association for the tax year ended March 31, 2019. Also are enclosed the original and one copy of any property and/or business license returns for March 31, 2019. Please check to verify that we have prepared and enclosed all returns for which we are responsible.

Attached to your copy of these returns are instructions for filing for you to use in executing these returns. Please read and follow these instructions carefully to be sure that the returns are filed properly. For e-filing we have already obtained the proper forms allowing us to file these returns; typically all that remains is a voucher to send in whatever tax is due. For property and business license returns there is usually a form to be filed and a check to write and mail in.

If you have any questions, please give me a call.

Yours very truly,

Certified Public Accountant

STATE OF SOUTH CAROLINA  
DEPARTMENT OF REVENUE  
**APPLICATION FOR AUTOMATIC EXTENSION  
OF TIME TO FILE CORPORATION TAX RETURN**

**SC1120-T**  
(Rev. 7/26/18)  
3096

**GENERAL INSTRUCTIONS**

A corporation requesting an extension of time must submit an SC1120-T and pay ALL the income tax shown to be due on the corporate tax return, plus ALL of the corporate license fee due, on or before the original due date of the corporate tax return.

**Save time and paper!** Request your extension to file by paying your balance due on our free tax portal, MyDORWAY, at **dor.sc.gov/pay**. Select Business Income Tax Payment to get started. Your credit card or electronic check payment on MyDORWAY automatically submits your filing extension request. No additional form or paperwork is required.

The Department may allow an extension, not to exceed six months, to file a corporate tax return. If the corporation has not fulfilled its filing requirements for any previous period, the Department cannot grant an extension, and the corporate tax return will be delinquent if not filed by the original due date. The Department will not send notice of the invalid extension.

The Department will accept a federal extension. Only one SC1120-T is needed to extend a South Carolina consolidated corporate tax return. A single payment may be made for the entire consolidated group. You do not need to list each member included in the consolidated return. The Department will accept a federal extension if all corporations in the consolidated group have filed or are included in a federal extension.

If the amount remitted with the extension fails to reflect at least 90% of the tax to be paid for the period granted by the extension, an underpayment penalty, based on the difference between the amount remitted and amount due, will apply from the date the tax was originally due until the amount is paid in full.

## Official Form 206A/B

### Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
