without complying with BIPA's requirements regarding retention and destruction policies, and without providing the requisite notice and obtaining informed consent prior to the collection of the biometric data. *See, e.g.*, Ex. E, Amended Complaint at ¶¶ 26-39.

The Plaintiff sought relief on behalf of herself and a class of individuals in the form of statutory damages, and attorneys' fees and costs, as well as certification of a class. Amended Complaint at ¶¶ 46-62. The putative class was defined as:

All persons in the United States whose fingerprints or other biometric information or identifiers are or were collected, captured or otherwise obtained by any Defendant in Illinois, at any time from five years before the date of Plaintiff's original complaint to the date the class is certified.
Amended Complaint at ¶ 31.

As the Court is well aware, BIPA litigation has exploded in the past few years, and class actions in the employment context have been brought frequently and litigated extensively before this Court and others. Settlements in these cases are now similarly frequent and can be assessed against a well-established landscape.

The Parties here have reached a Settlement. Ex. A, Stipulated Settlement Agreement (the "Settlement"). Under the terms of the Settlement, Defendants will create a cash fund of consisting of \$420,750 or \$850 gross for each of the 495 class members. The fund will be used to pay administration costs, and, if approved by the Court, incentive awards to the named

Accountability Act of 1996. Biometric identifiers do not include an X-ray, roentgen process, computed tomography, MRI, PET scan, mammography, or other image or film of the human anatomy used to diagnose, prognose, or treat an illness or other medical condition or to further validate scientific testing or screening.

'Biometric information' means any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

All provisions of the act apply equally to both biometric information and identifiers, for the sake of brevity, we use the term 'biometric data' to refer to both unless the distinction is necessary in context." 740 ILCS 14/10.

Plaintiff and attorney's fees and costs. The balance of the fund will then be distributed *pro rata* to each class member, without the need to file a claim form. Estimated total recovery per class member will be a minimum of just over \$490. Any checks not cashed within 120 days will become void, and any remaining funds will revert to the Defendants.

The Court preliminarily approved the settlement on September 16, 2025, and ordered the parties to proceed with Class Notice. Following the notice period and exclusion and objection deadline, the class administrator provided a declaration regarding the notice process on November 6, 2025. Ex. B, Declaration of Mark Unkefer.

On October 1, 2025, the class administrator published a website, <https://www.illinoisbipasettlement.com/>, which contained information, notice, and relevant documents. *Id.* at ¶ 9. The administrator also established a toll-free number where class members could obtain more information about the settlement. *Id.* at ¶ 10.

Addresses for each of the 495 class members identified by Defendants were provided to the administrator and notice was mailed to each address on October 1, 2025. *Id.* ¶5. Of the 495 notices mailed, 60 were returned as undelivered. Returned mail was mailed to either a the forwarding address provided by USPS, or, if no forwarding address was available, a nationwide skip-trace was conducted to find an updated address. *Id.* In total, notice was deemed successful for all but 21 members. Ex. B, ¶6. As a percentage, 95.76% of notices were deemed delivered. *Id.* at ¶ 6.

Class counsel filed their motion for attorneys' fees and incentive award on October 10, 2025, and a copy was posted to the Class Settlement Website for review by class members.

No requests to opt-out of the settlement were received by the October 31, 2025 deadline; no objections to the settlement were received by the October 31, 2025, deadline. *Id.* at ¶¶ 6-7.

The lack of objections or exclusions reflects the substantial relief provided to each Class Member, the opt-out structure of the Class, and the relative value of the Settlement to other privacy and BIPA class actions. *E.g.*, *Brown v. Moran Foods, LLC*, 2019-CH-02576 (Cir. Ct. Cook Cnty.) (fund constituting \$1,100 per person with direct checks sent to all class members for approximately \$625.00); *Edmond v. DPI Specialty Foods*, 2018-CH-09573 (Cir. Ct. Cook Cty.) (fund constituting \$1,000 per person with direct checks sent to all class members for \$604.65); *Watts v. Aurora Chicago Lakeshore Hosp. LLC*, 2017-CH-12756 (Cir. Ct. Cook Cty.) (fund constituting \$1,000 per person with direct checks sent to all class members for \$612.13). *See, also, e.g.*, *Carroll v. Crème de la Crème, Inc.*, 2017-CH-01624 (Cir. Ct. Cook Cty. Jun. 6, 2018), or needlessly required a claim form with unused settlement funds to revert fully to the defendant, *e.g.*, *McGee v. LSC Commc'ns*, 2017-CH-12818 (Cir. Ct. Cook Cty.) (\$750 per claimant, with unclaimed funds reverting); *Marshall v. Lifetime Fitness, Inc.*, 2017-CH-14262 (Cir. Ct. Cook Cty.) (\$270 per claimant with credit monitoring, with unclaimed funds reverting).

As set forth below, all these factors weigh in favor of final approval of this Settlement and the Parties respectfully request the Court grant Final Approval of the Class Action Settlement.

II. FACTUAL AND PROCEDURAL BACKGROUND

A. Illinois' Biometric Information Privacy Act

When first enacted in 2008, BIPA was unique in the Nation—both for its prescience in identifying the inevitable increase in the use (and potential for abuse) of biometric technology as well as its strict requirements for private companies that chose to implement such technology. Recognizing the “very serious need” to protect Illinois citizens’ biometric data—which includes retina scans, fingerprints, voiceprints, and scans of hand or face geometry—the Illinois

legislature unanimously passed BIPA in 2008 to provide individuals recourse when companies fail to appropriately handle their biometric data in accordance with the statute. 740 ILCS 14/5.

To enforce the statute, BIPA provides a civil private right of action and allows for the recovery of statutory damages in the amount of \$1,000 for negligent violations—or \$5,000 for willful violations—plus costs and reasonable attorneys’ fees. 740 ILCS 14/20. The private right of action and the statutory damages are “integral” to the implementation of the Act. *Rosenbach v. Six Flags Ent. Corp.*, 2019 IL 123186, ¶ 37

B. Plaintiffs’ Allegations and Defendant’s Fingerprint-Scanning System.

Plaintiff worked for Defendant Blackhawk from July 2011 to June 2021. Amended Complaint at ¶¶ 14-16. Sometime in 2012, Blackhawk began requiring employees to use a fingerprint scanning time clock for clocking in and out of work. *Id.* at ¶ 15. Plaintiff was required to scan their fingerprints into a time clock. *Id.* at ¶ 18.

Sometime in 2020, Blackhawk switched to a new fingerprint scanning time clock, installed and operated by co-Defendant ATG. *Id.* at ¶ 20.

Plaintiff alleged that she never received the requisite disclosures nor signed a consent form before having her fingerprint scanned in violation of 740 ILCS §14/15(b). *Id.* at ¶¶ 50-54. Plaintiff alleged she never received nor was made aware of any policy regarding the retention and destruction of their biometric data, and thus that Defendants failed to create and comply with such a policy in violation of 740 ILCS §14/15(a). *Id.* at ¶¶ 46-49. Plaintiff alleged that Defendants also disclosed her biometric information without her consent to third-parties in violation of 740 ILCS §14/15(d). Finally, Plaintiff alleged that Defendants failed to store and transmit the biometric information with the requisite level of protection in violation of 740 ILCS §14/15(e).

Defendants deny that biometric identifiers or information was ever obtained by their time clock or that they have engaged in any wrongdoing or violated BIPA in any way.

C. Litigation, Negotiation, and Settlement.

On August 13, 2021, Plaintiff filed a class action lawsuit in the Circuit Court of Cook County, Chancery Division, naming Blackhawk as the sole Defendant. The parties subsequently agreed that venue was actually proper in Will County, and the case was transferred and assigned to Hon. John C. Anderson in March 2022.

Following the transfer to Will County, the case was staying pending the Illinois Supreme Court's decision in *Cothron v. White Castle System, Inc.* 2023 IL 128004. That decision was issued on February 17, 2023. In March 2023, Judge Anderson lifted the stay, ordered Defendant to file their responsive pleading to the Complaint, and set a preliminary discovery schedule.

The parties began to engage in written discovery, issuing and responding to interrogatories, requests for admission, and requests to produce. Plaintiff filed her Motion for Class Certification on May 1, 2023, and the parties entered into a briefing schedule. However, based on Blackhawk's discovery responses, Plaintiff filed a Motion to Amend her Complaint and the briefing on the Motion to Certify was stayed.

Plaintiff's Amended Complaint added two new Defendants: ATG Management Services, Inc. and ESO Software Solutions Inc. Plaintiff alleged that ATG was responsible for installing and operating the biometric timeclocks at issue and that ESO provided the timeclocks and software.

In response, Defendant ESO Software moved to dismiss the Complaint under 735 ILCS 5/2-619(a)(9). Plaintiff and ESO stipulated to a dismissal without prejudice as to ESO only. Plaintiff, Blackhawk, and ATG continued with the discovery process and Plaintiff took the deposition of a

corporate representative of ATG on October 1, 2024. On the Court's own motion, the case was reassigned to Judge Bennet Braun in December 2024.

The parties had begun to discuss settlement as early as February 2022. However, progress was stalled during the stay pending *Cothron* and then following that, the parties disagreed over the scope of relevant discovery necessary for productive settlement discussions.

Following the deposition of ATG in late 2024, the parties began to engage in more substantive class settlement negotiations. Disagreements over the appropriate class membership and size stalled those negotiations, however, and Plaintiff filed her renewed Motion to Certify a Class on June 1, 2025. The Motion was briefed by the parties and denied without prejudice by Judge Braun on July 8. On July 9, the parties reached an agreement in principle on the basic terms of a class settlement.

The Parties signed a term sheet in early September, 2025, reflecting that Defendants would establish a settlement fund of \$420,750 based on an estimated class size of 495 individuals, with the costs of administration and any approved attorneys' fees and costs and incentive awards being paid out of the fund with the remainder distributed *pro rata* to each Class Member without requiring a claim form.

In lieu of injunctive relief, the Defendants have represented that they have no longer use any biometric time-clock.

Defendants have provided documents regarding the time clock device at issue and the class size and membership. Further. Defendants have since confirmed the size of the Proposed Class at 495 individuals.

III. TERMS OF THE SETTLEMENT AGREEMENT

The terms of the Settlement are set forth in the Stipulation of Class Action Settlement, and are briefly summarized here:

A. Class Definition.

The Settlement Class includes:

All persons in the United States whose fingerprints or other biometric information or identifiers are or were collected, captured or otherwise obtained by any Defendant in Illinois, at any time from five years before the date of Plaintiff's original complaint to the date the class is certified.

The Class Period is August 13, 2021, through the date of preliminary approval of this Class Settlement.

The following people are excluded from the Class: (1) any judge presiding over the action and their families and staff; (2) Defendants and their owners, officers, directors, parents, subsidiaries, successors, predecessors; (3) Plaintiff's and Defendants' counsel and their staffs.

B. Settlement Payments.

The Settlement provides that Defendants will satisfy their monetary obligations by paying into a Settlement Fund \$420,750 (Four Hundred Twenty Thousand and Seven Hundred and Fifty Dollars). Ex. A at ¶ 49. Defendants have represented that there are 495 Settlement Class Members. From the Settlement Fund, payment of Settlement Administration Expenses, costs, attorneys' fees and any incentive award will be made. *Id.* The Settlement Administrator will then distribute the fund *pro rata* directly to Class Members without the need for a claims process. *Id.* Assuming the Court grants a Fee and Cost award of \$140,250 and incentive award of \$25,000, and with an estimated cost of administration of \$12,053, the minimum amount class members will receive is approximately \$491.²

² Plaintiff will apply for Attorney's Fees and Costs and Incentive Awards separately which are

Any checks not cashed after 120 days will be void, any remaining non-cashed check funds will revert to Defendants or their designees. *Id.*

C. Injunctive and Prospective Relief.

Defendants have implemented BIPA-compliant written consent forms and received consent from all current employees. and receives consent from all new hires prior to their use of the time clock. Ex. A at ¶ 61. Defendants will comply with any and all requirements under BIPA for the destruction and retention of any biometric data that may be in their possession. *Id.* Defendants will also not transfer or otherwise disseminate any biometric data without first obtaining informed written consent from any affected employee. *Id.*

D. Payment of Settlement Notice and Administrative Costs.

The cost of administration is estimated to be approximately \$12,053, which will be paid from the Settlement Fund. Ex. A at ¶ 59.

E. Payment of Attorneys' Fees, Costs, and Incentive Award.

Defendants have agreed to pay Plaintiff's reasonable attorneys' fees to proposed Class Counsel from the settlement fund in an amount to be determined by the Court. Ex. A at ¶¶ 98-99. Proposed Class Counsel will not request more than \$140,250 of the Settlement Fund (1/3 of the total Fund) as attorneys' fees. *Id.* Defendants have agreed not to challenge the fee petition unless the amount requested exceeds \$140,250. Defendants have also agreed to pay Plaintiff an incentive award in the amount of \$25,000 from the Settlement Fund, subject to Court approval, in recognition of her efforts as class representative. *Id.* at ¶ 102.

On October 10, 2025, Plaintiff filed the motion for attorneys' fees and costs requesting the amounts set out above.

subject to Court approval.

F. Release of Liability.

In exchange for the relief described above, Defendants will be released from any and all claims by Settlement Class Members arising out of or relating to the collection, storage, use, dissemination, retention, or disclosure of biometric data or information. Ex. A at Sec. V.

IV. THE CLASS NOTICE MET OR EXCEEDED DUE PROCESS REQUIREMENTS

Prior to granting final approval to this Settlement, the Court must consider whether the Settlement Class received the best notice that is practicable under the circumstances. *Lee v. Buth-Na-Bodhaige, Inc.*, 2019 IL App (5th) 180033, ¶ 80; see *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156, 173(1974). The “best notice practicable” does not necessarily require receipt of actual notice by all class members in order to comport with the requirements of due process. In general, a notice plan that reaches at least 70% of class members is considered reasonable. Federal Judicial Center, *Judges’ Class Action Notice & Claims Process Checklist & Plain Language Guide* (2010), at 3, available at <https://www.fjc.gov/sites/default/files/2012/NotCheck.pdf>. Given that virtually everyone in the Settlement Class received individual direct notice, the effectuation of the Court-approved notice plan readily satisfies due process. See *Carrao v. Health Care Serv. Corp.*, 118 Ill. App. 3d 417, 429–30 (1st Dist. 1983) (noting that while due process may require individual notice to class members whose identities and addresses can be readily obtained from defendant’s files, it does not require individual notice in all circumstances).

The Court-approved notice plan here called for direct notice to all members of the Settlement Class via First-Class U.S. Mail, and the creation of a Settlement Website. Pursuant to the notice plan, Defendants provided American Legal Claims Services, LLC—the professional Settlement Administrator appointed by the Court—with a class list containing the names, and U.S. Mail

addresses of all 495 members of the Settlement Class. Ex. B at ¶ 3. Once provided, the Settlement Administrator sent the Court-approved Short Form Notice to each class member on October 31, 2025. Ex. B at ¶ 4. Returned mail was then processed and remailed to updated addresses. *Id.* at ¶ 5. In total, the administrator deemed only 21 notices undeliverable – i.e., notice was successfully delivered to 474 class members, or 95.76% of the the Class. *Id.* at ¶¶ 5-6. These summary notices also directed members of the Settlement Class to a Settlement Website, <https://www.illinoisbipasettlement.com/>, where they could—and are still able to—access the “long form” notice and important court filings, including Plaintiff’s Motion and Memorandum of Law for Attorneys’ Fees, Expenses, and Incentive Award, and see deadlines and answers to frequently asked questions. *Id.* at ¶ 9. Additionally, the administrator set up a toll-free number where Class Members could call in to ask questions or receive additional information. *Id.* at ¶ 10.

In sum, the notice plan was highly successful and exceeds all that is required for due process. *See Carrao, 118 Ill. App. 3d at 429–30.*

V. THE PROPOSED SETTLEMENT WARRANTS FINAL APPROVAL

The procedural and substantive standards governing final approval of a class action settlement are well settled in Illinois. *GMAC Mortg. Corp. of Pa. v. Stapleton*, 236 Ill. App. 3d 486, 493 (1st Dist. 1992). The proposed settlement “must be fair and reasonable and in the best interest of all those who will be affected by it.” *Id.* Because a proposed settlement is the result of compromise, “the court in approving it should not judge the legal and factual questions by the same criteria applied in a trial on the merits, . . . [n]or should the court turn the settlement approval hearing into a trial.” *Id.*

“Although review of class action settlements necessarily proceeds on a case-by-case basis, certain factors have been consistently identified as relevant to the determination of whether a

settlement is fair, reasonable and adequate.” *Id.* These factors—known as the *Korshak* factors—are:

(1) The strength of the case for plaintiffs on the merits, balanced against the money or other relief offered in settlement; (2) the defendant’s ability to pay; (3) the complexity, length and expense of further litigation; (4) the amount of opposition to the settlement; (5) the presence of collusion in reaching a settlement; (6) the reaction of members of the class to the settlement; (7) the opinion of competent counsel; and (8) the stage of proceedings and the amount of discovery completed.

Id. (citing *City of Chi. v. Korshak*, 206 Ill. App. 3d 968971–72 (1st Dist. 1990))

Here, examination of each of the *Korshak* factors demonstrates that the Settlement is exceedingly fair, reasonable, adequate, and thus deserving of final approval.

A. The Strength of Plaintiff’s Case Compared with the Relief Afforded Under the Settlement Supports Granting Final Approval.

“The strength of plaintiff’s case on the merits balanced against the settlement amount is the most important factor in determining whether a settlement should be approved.” *Sys. Software Assocs.*, 306 Ill. App. 3d at 170. Here, although Plaintiff is confident that she would ultimately prevail had this matter continued in litigation, there were not-insignificant obstacles in doing so. In light of those obstacles, the excellent monetary relief to the Settlement Class, along with the prospective relief regarding Defendants’ future practices, are remarkable. This factor thus weighs strongly in favor of Final Approval.

1. This Settlement Is An Excellent Result For The Class and is Well Within the Top BIPA and Other Privacy Class Action Settlements.

The strength of the Settlement relief speaks for itself: if approved, Defendant will create a cash fund amounting to almost \$850 per class member, gross, and Class members will receive at least \$490 each without the need to file a claim form.

BIPA settlements have had a wide range, with some finally-approved settlements depressing the amount defendants have to pay with reversion and credit monitoring. *E.g.*, *Carroll*, 2017-CH-01624 (Cir. Ct. Cook Cnty.) (credit monitoring only); *McGee*, 2017-CH-12818 (\$750 per-claimant cap and reversion); *Marshall*, 2017-CH-14262 (\$270 per-claimant cap and reversion). The leading BIPA settlements in the employment context—like this one—do not require a claims process at all and instead distribute funds equally and directly with a check sent to all Class Members. This Settlement is in the same league as those. *See, e.g.*, *Brown v. Moran Foods, LLC*, 2019-CH-02576 (Cir. Ct. Cook Cnty.) (fund constituting \$1,100 per person with direct checks sent to all class members for approximately \$625.00); *Edmond*, 2018-CH-09573 (fund constituting \$1,000 per person); *Watts*, 2017-CH-12756 (fund constituting \$1,000 per person); *George v. Schulte Hospitality Group, Inc., et al.*, 2018-CH-04413 (Cir. Ct. Cook Cnty.) (fund constituting approximately \$1,000 per person). Defendants will create a fund constituting \$850 per class member, with direct checks after fees and costs are deducted—a top-of-the-market result.

2. Plaintiff Faced Unsettled Factual and Legal Issues.

Were this litigation to continue, there are a number of issues that have the potential to substantially or fully deprive the putative class of relief.

First, there are currently two appeals pending that will further clarify the the scope of the ‘Healthcare Exemption,’ *Wright v. Silver Oaks Behavioral, LLC*, Case No. 3-24-0553 (“Wright”), in the Third District and *Townsend v. The Estates of Hyde Park, LLC* (“Townsend”),

in the first district. Those cases will determine if and to what extent biometric data collected by a healthcare provider for payroll processing is exempt from BIPA's reach as "information collected, used, or stored for health care treatment, payment, or operations under the federal Health Insurance Portability and Accountability Act of 1996." 740 ILCS 14/10. Here, Defendant Blackhawk is an ambulance service that could potentially be defined as a 'healthcare' provider.

Defendants also likely intended to argue, like numerous other BIPA defendants, that the information captured by its fingerprint scanners were not actually "biometric identifiers" or "biometric information" subject to BIPA, but rather some sort of mathematical representation of finger scans that fall outside of BIPA's purview. Moreover, Defendants also argue that they did receive consent from a number of the putative class members, including Plaintiff. Though Plaintiff is, again, confident that she could have defeated these arguments at summary judgment and/or trial, she concedes the issue is far from settled and if Defendants were to prevail on their defense, it would be a complete defense to all claims of the Plaintiff and proposed Class. The Settlement provides excellent relief to the Class without the delay necessitated by briefing and a trial on these questions. Further, a ruling on this issue either way would almost certainly lead to a lengthy, expensive, and uncertain appeals process.

Even if Plaintiff has succeeded at summary judgment and/or trial, damages per class member would potentially be limited to between \$1,000 - \$5,000 per violation alleged, with added litigation to establish that Defendants acted intentionally, and determining which of the alleged violations Defendants actually committed.

While Plaintiff is confident in the strength of their case, she recognizes that the law still evolving in BIPA cases and there are potential "bad facts" in this litigation. She has factored in the risks and delays that would necessarily accompany briefing the arguments in both the trial

and appellate courts. This Settlement—providing as it does top-of-the-market monetary relief, directly to the Settlement Class Members and without delay—is highly beneficial for the Settlement Class. When considered in light of the potential hurdles faced in obtaining recovery through continued litigation, the relief is well deserving of this Court’s approval. Consequently, this “most important” factor weighs strongly in favor of final approval of the Settlement.

B. Defendants’ Ability to Pay Weighs in Favor of Final Approval

The second *Korshak* factor considers the defendant’s ability to pay. Here, Defendants have represented that they or their insurers will be able to fully fund the Settlement. At the same time, however, a full victory at trial for the Class Members would result in a substantial aggregate judgment against a company of Defendants sizes, even if it were not found reckless or willful in its actions. *See Kleen Prods. LLC v. Int’l Paper Co.*, No. 1:10-CV-05711, 2017 WL 5247928, at *2 (N.D. Ill. Oct. 17, 2017) (finding that “the size of the potential recovery weighs in favor of the [s]ettlement[,]” even though defendants had substantial ability to pay). In any event, the fact that Defendants might have the ability, if pressed, to pay a larger amount is not relevant when the proposed Settlement is otherwise fair, reasonable, and adequate and a judgment would represent a significantly greater negative impact on the company’s financials. *See Glaberson v. Comcast Corp.*, No. CV 03-6604, 2015 WL 5582251, at *7 (E.D. Pa. Sept. 22, 2015) (collecting cases). Thus, given Defendant’s willingness to pay the Settlement amount and the potential for a more injurious damages amount at trial, this factor is thus favorable in approving the Settlement. *Id.* at *8.

C. The Settlement is Reasonable in Light of the Complexity, Length, and Expense of Further Litigation.

The next relevant factor in assessing whether a court should grant approval asks whether the Settlement is fair and reasonable given how lengthy, complex, and expensive further litigation is likely to be. *See Korshak*, 206 Ill. App. 3d at 972; *GMAC Mortg.*, 236 Ill. App. 3d at 498 (“One of the principal purposes of an early settlement is to avoid costly and lengthy discovery.”). This Settlement warrants approval because it provides immediate relief to the Settlement Class while avoiding potentially years of complex litigation and appeals. *Goldsmith v. Tech. Sols. Co.*, No. 92 C 4374, 1995 WL 17009594, at *4 (N.D. Ill. Oct. 10, 1995) (“As courts recognize, a dollar obtained in settlement today is worth more than a dollar obtained after a trial and appeals years later.”). And in light of the unsettled issues of liability *and* damages highlighted above, absent the Settlement, the Parties were likely to litigate a number of issues that are either still being resolved by the courts or are matters of first impression. *See, e.g., Pichler v. UNITE*, 775 F. Supp. 2d 754, 759 (E.D. Pa. 2011) (approving class action settlement in light of the complexity of future litigation on issues of first impression). Likewise, the Parties also would have been forced to litigate the issue of class certification. Although Plaintiff believes in the strength of her claims and that she would ultimately prevail on the issues, that process is by no means risk-free.

Protracted litigation would also consume significant resources, including the time and costs associated with formal written and oral discovery, securing expert testimony on complex biometric and data storage issues, and again, motion practice, trial and any appeals. It is possible that “this drawn-out, complex, and costly litigation process . . . would provide [Settlement] Class Members with either no in-court recovery or some recovery many years from now . . .” *In re AT & T Sales Tax Litig.*, 789 F. Supp. 2d 935, 964 (N.D. Ill. 2011). Because the proposed

Settlement offers immediate—and substantial—monetary relief to the Settlement Class and a prompt end to Defendants’ alleged misconduct while avoiding the need for extensive and drawn-out litigation, final approval is appropriate. *See, e.g., Schulte v. Fifth Third Bank*, 805 F. Supp. 2d 560, 586 (N.D. Ill. 2011) (“Settlement allows the class to avoid the inherent risk, complexity, time, and cost associated with continued litigation.”).

D. The Positive Reaction to the Settlement Supports Final Approval

The fourth and sixth *Korshak* factors—the amount of opposition to the Settlement and Class Members’ reaction to the Settlement—are closely related and often examined together. *See, e.g., Korshak*, 206 Ill. App. 3d at 973. Here, the Settlement Class’s reaction to the Settlement has been entirely positive and weighs strongly in favor of final approval. As stated above, the Settlement Administrator has thoroughly implemented the notice plan, and the Objection/Exclusion Deadline has passed without a single person objecting to the Settlement or opting out of participating. Ex. B, Unkefer Decl. ¶¶ 7-8. The fact that no one has objected or requested to be excluded from the Settlement is powerful evidence of the Settlement Class’s support for the Settlement. *See GMAC Mortg.*, 236 Ill. App. 3d at 497 (“The fact that only 26 of 590,000 members elected to opt-out is testimony . . . that the class believes the settlement is fair.”); *Shaun Fauley*, 2016 IL App (2d) 150236, ¶ 20 (affirming trial court’s finding that where opposition to class settlement was “*de minimis*,” this fact weighed in favor of settlement approval). These two factors thus strongly support granting final approval to the Settlement.

E. The Settlement Was Reached Without Collusion and As a Result of Arm’s-Length Negotiations Between the Parties.

The next factor looks to whether the parties colluded in negotiating the settlement. *See Korshak*, 206 Ill. App. 3d at 972. There is an initial presumption that a proposed settlement

is fair and reasonable when it was the result of arm's-length negotiations. *Newberg*, § 11.42; see also *Sabon, Inc.*, 2016 IL App (2d) 150236, ¶ 21 (finding no collusion where there was “no evidence that the proposed settlement was not the product of ‘good faith, arm’s-length negotiations’”).

The arm's-length nature of these negotiations is confirmed by the Settlement itself: it provides significant cash payments to Settlement Class Members and contains no provisions that might suggest fraud or collusion. Defendants have agreed not to challenge any fee request up to \$140,250 and Plaintiff has agreed that uncashed checks will revert to Defendants. It is true that similar so-called “clear sailing” provisions and reverter clauses have raised the eyebrows of courts evaluating proposed class settlements. See, e.g., *Redman v. RadioShack Corp.*, 768 F.3d 622, 637 (7th Cir. 2014) (discussing potential for conflict of interest between class counsel and class over fees). But those concerns generally only arise in cases where the class will not receive a cash settlement (e.g. “coupon classes”) and where any reduction of fees reverts to the defendant (a “kicker clause”). See, William D. Henderson, “Clear Sailing Agreements: A Special Form of Collusion in Class Action Settlements,” 77 *Tulane L.Rev.* 813 (2003) (explaining concern with collusion frequently arises where class relief is nonpecuniary and/or attorney's fees are subject to reversion clause). Reverter clauses are especially suspect in cases where class members will have to submit claims forms because of the generally very low response rate. None of those concerns are realistic here. Class Members will receive real and significant cash payments without having to submit a claim and will have 120 days to cash their checks. Only after those 120 days will any remaining funds revert to Defendants. The other options would be to distribute those uncashed funds *cy pres*, or to engage in another round of distribution pro rata. The latter option would require unnecessary administrative expense without

18

providing any substantial increase in the class members award. Likewise, the agreement by Class Counsel to limit their fee request and for Defendants to not challenge the request allowed the parties to determine the overall benefit for the Class and liability for the Defendants.

The Court should not hesitate to find that this factor weighs strongly in favor of settlement approval. *See Shaun Fauley, Sabon, Inc. v. Metro. Life Ins. Co.*, 2016 IL App (2d) 150236, ¶ 50 (finding there was no collusion where the record showed nothing but “good-faith, arm’s-length negotiation”).

F. Proposed Class Counsel Firmly Believes that this Settlement is in the Best Interests of the Settlement Class.

The Court should also consider whether counsel believes that the Settlement is fair to Settlement Class. *See Korshak*, 206 Ill. App. 3d at 972. Here, proposed Class Counsel is well versed in the law and facts of this litigation and are recognized leaders in consumer and privacy-related class action litigation. *See GMAC Mortg.*, 236 Ill. App. 3d at 497 (finding that this factor weighed in favor of approval because counsel, who believed the settlement to be fair and reasonable, had previously litigated a number of similar class actions). As a result of that experience and for the reasons explained above, proposed Class Counsel firmly believes that the instant Settlement—which provides substantial direct payments to Settlement Class Members, and ensures that Defendants’ alleged unlawful conduct does not continue—is fair, reasonable, adequate, and deserving of Final Approval.

G. The Stage of Litigation and Amount of Discovery Completed Ensures the Settlement is Fair, Reasonable and Adequate.

The final factor looks to the state of proceedings and the amount of discovery completed before the parties entered into the settlement. *See Korshak*, 206 Ill. App. 3d at 972. Here,

Plaintiff's counsel, through oral and written discovery, has conducted substantial investigation into Defendants and the technology used by Defendants to allegedly collect biometric data from the Class. Ex. A at ¶¶ 5-8.

The facts underlying Plaintiff's allegations in this case—though by no means their legal import—are now substantially undisputed: Defendants used a time clock with a fingerprint scanner to identify its employees' identities, and, in Plaintiff's view, without BIPA compliance. In short, the issues in this litigation have crystallized sufficiently for the Parties to assess the strengths and weaknesses of their negotiating positions (based upon the litigation to date, the anticipated outcomes of fact and expert discovery, and additional motion practice) and evaluate the appropriateness of any proposed resolutions. *See Bayat v. Bank of the West*, No. 13-cv-2376, 2015 WL 1744342, at *6 (N.D. Cal. Apr. 15, 2015) (concluding that sufficient discovery had been completed to evaluate the settlement even though parties reached an early settlement “because the issues in this case are straightforward and not particularly fact intensive”).

For all of the foregoing reasons, Plaintiff and proposed Class Counsel firmly believe that the monetary and prospective relief provided by the Settlement weigh heavily in favor of a finding that the Settlement is fair, reasonable, and adequate, and well within the range of approval.

VI. CONCLUSION

For the foregoing reasons, Plaintiff Jasmine Chatman respectfully requests that this Court enter the attached Proposed Order (Ex. C) finally approving the Parties' Class Action Settlement and ordering all other such relief the Court deems just or necessary.

Attorneys for Plaintiff

EXHIBIT A

3. The parties subsequently stipulated that venue was proper in Will County and the case was ordered transferred to Will County on March 16, 2022 and assigned to Hon. John C. Anderson.
4. On May 31, 2022, the case was stayed pending the appeal of *Cothron v. White Castle* in the Illinois Supreme Court.
5. The *Cothron* decision was issued on February 17, 2023, the case was unstayed, and the Parties began the discovery process.
6. On July 31, 2023, Plaintiff filed an amended complaint adding two new defendants: ATG and ESO Solutions, Inc.
7. ESO Solutions was later dismissed as a defendant without prejudice.
8. The Parties continued with the discovery process and Plaintiff took the deposition of a corporate representative of ATG on October 1, 2024.
9. In mid-October the case was reassigned to Judge Bennet Braun.
10. The Parties then began to discuss settlement in earnest but could not resolve an issue regarding the potential class size.
11. In March 2025, Judge Braun set a trial date of July 14, 2025.
12. Plaintiff filed their renewed Motion to Certify a Class on June 6, 2025, Defendant's filed their Response on July 1, 2025, and Plaintiff filed her Reply on July 7, 2025.
13. On July 8, 2025, Judge Braun denied Plaintiff's Motion without prejudice.
14. On July 9, 2025, the Parties agreed to a Class Action Settlement ("Settlement") with the following terms:
 - a. Defendant will create a gross settlement fund of \$420,750;

- b. The Settlement Class consists of approximately 495 previously identified individuals;
 - c. Each class member will receive pro rata share of net settlement fund (total fund minus attorneys' fees, incentive award, and costs of administration) with the need to file a claim form;
 - d. Class Counsel will petition the Court for 1/3 of the gross fund in attorneys' fees and costs and Defendants will not oppose the request up to this amount;
 - e. Plaintiff will petition the Court for \$25,000 for incentive award and Defendants will not oppose the request up to this amount;
 - f. Named Plaintiff will sign global release; Class members will release Defendants from BIPA-related claims;
 - g. Checks that remain uncashed after 120 days will be void and those funds will revert to Defendants or their designees.
15. Defendants have provided documents regarding the time clock device at issue and documents identifying the class size.
16. This Settlement represents the Parties' agreement to resolve all matters pertaining to, arising from, or associated with the Litigation, including all Released Claims Plaintiff and Settlement Class Members have or may have had against Defendants and the Released Parties defined below.
17. The Parties have agreed to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain and that achieving a final result through litigation would require substantial additional risk, discovery, time and expense.

18. Defendants deny all charges of wrongdoing or liability of any kind whatsoever that Plaintiff or Settlement Class Members have asserted in this Litigation or may in the future assert. Despite Defendants' belief that it is not liable for, and has good defenses to, the claims alleged in the Litigation, Defendants desire to settle the Litigation, and thus avoid the expense, risk, exposure, inconvenience, and distraction of continued litigation of any action or proceeding relating to the matters being fully settled and finally put to rest in this Settlement Agreement. Neither this Settlement Agreement, nor any negotiation or act performed or document created in relation to the Settlement Agreement or negotiation or discussion thereof is, or may be deemed to be, or may be used as, an admission of, or evidence of, any wrongdoing or liability.
19. Following arm's-length negotiations, the Parties now seek to enter into this Settlement Agreement. Plaintiff and Class Counsel have conducted an investigation into the facts and the law regarding the Litigation and have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiff and the Settlement Class recognizing: (1) the existence of complex and contested issues of law and fact; (2) the risks inherent in litigation; (3) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement; (4) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever; and (5) Plaintiff's determination that the settlement is fair, reasonable, adequate, and will substantially benefit the Settlement Class Members.

20. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, the Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests.
21. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Litigation be settled and compromised, and dismissed with prejudice, on the following terms and conditions.

- a. the Class shall be certified in accordance with the definition contained in Paragraph below;
 - b. Plaintiff shall represent the Class for settlement purposes and shall be the Class Representative; and
 - c. Plaintiff’s Counsel shall be appointed as Class Counsel.
53. Defendants do not consent to certification of the Class for any purpose other than to effectuate the Settlement. If the Court does not enter Final Approval of the Settlement, or if for any other reason final approval of the Settlement does not occur, is successfully objected to, or challenged on appeal, any certification of any Class will be vacated and the Parties will be returned to their positions with respect to the Action as if the Agreement had not been entered into.
54. In the event that Final Approval of the Settlement is not achieved: (a) any Court orders preliminarily or finally approving the certification of any class contemplated by this Agreement shall be null, void, and vacated, and shall not be used or cited thereafter by

any person or entity; and (b) the fact of the settlement reflected in this Agreement, that Defendants did not oppose the certification of a Class under this Agreement, or that the Court preliminarily approved the certification of a Class, shall not be used or cited thereafter by any person or entity, including in any manner whatsoever, including without limitation any contested proceeding relating to the certification of any class.

55. Subject to Court approval, the following Settlement Class shall be certified for settlement purposes:

All persons in the United States whose fingerprints or other biometric information or identifiers are or were collected, captured or otherwise obtained by any Defendant in Illinois, at any time from five years before the date of Plaintiff's original complaint to the date the class is certified.

56. Excluded from the Settlement Class are all persons who timely elect to exclude themselves from the Settlement Class, the Court and staff to whom this case is assigned, and any member of the Court's or Court staff's immediate family.

IV. SETTLEMENT OF THE LITIGATION AND ALL CLAIMS AGAINST THE RELEASED PARTIES

57. Final approval of this Settlement Agreement will settle and resolve with finality, on behalf of Plaintiff, the Litigation and Representative Released Claims
58. Final approval of this Settlement Agreement will settle and resolve with finality, on behalf of the Settlement Class, the Litigation and the Class Released Claims.

V. SETTLEMENT FUND

59. Establishment of Settlement Fund

- a. Within fourteen (14) days of Preliminary Approval, Defendant shall create the Settlement Fund by paying to the Settlement Administrator a reasonable estimate of the Administrative Expenses. Within forty-five (45) days of Preliminary Approval, Defendants shall pay the remainder of the total sum of \$420,750.00 (Four Hundred and Twenty Thousand Seven Hundred and Fifty Dollars) into the Settlement Fund. The foregoing payment obligations are contingent on receipt of adequate payment instructions and a valid W-9 for the Settlement Fund.
- b. All funds required to be paid by Defendants under this paragraph shall be provided by Defendants to the Settlement Administrator and maintained by an escrow agent as a Court-approved Qualified Settlement Fund pursuant to Section 1.468B-1 et seq. of the Treasury Regulations promulgated under Section 468B of the Internal Revenue Code of 1986, as amended, and shall be deposited in an interest-bearing account.
- c. If the Settlement Agreement is not finally approved or if this Agreement is terminated or fails to become Effective, the Settlement Fund belongs to Defendants (including any accrued interest thereon), less any Administrative Expenses paid to date. Plaintiff shall have no financial responsibility for any Administrative Expenses paid out of the Settlement Fund in the event that the Settlement Agreement is not finally approved.
- d. The Settlement Fund shall be used to pay (i) Each Class Members' *pro rata* share of the Settlement Fund, (ii) Court-approved Incentive Awards to the Class

Representative, (iii) any Court-approved Attorneys' Fee Award; and (iv) costs of administration of the Agreement to the Settlement Administrator, including without limitation payment of Administrative Expenses.

- e. In accordance with Paragraph 60 below, the amount of any uncashed checks after the expiration date, will revert to Defendants' or their designees.
- f. The Settlement Fund represents the total extent of the Released Parties' monetary obligations under the Settlement Agreement. Defendants' contribution to the Settlement Fund shall be fixed under this Section and be final. Released Parties shall have no obligation to make further payments into the Settlement Fund and shall have no financial responsibility or obligation relating to the settlement beyond the Settlement Fund.
- g. The Court may require changes to the method of allocation to Settlement Class Members without invalidating this Settlement Agreement, provided that the other material terms of the Settlement Agreement are not altered, including but not limited to the scope of the Release, the scope of the Settlement Class, and the amount of the Settlement Fund.

IV. SETTLEMENT RELIEF

60. Settlement Payments to Settlement Class Members

- a. The Settlement Administrator shall send each Settlement Class Member a Settlement Payment Check within fourteen (14) days of the Effective Date via First Class U.S. Mail to their last known mailing address, as updated through the National Change of Address Database and/or a skip-trace search if necessary, by the Settlement Administrator.

- b. All Settlement Payments will state on the face of the check that the check will expire and become null and void unless cashed within ninety (120) days after the date of issuance.
 - c. To the extent that a check issued to a Settlement Class Member is not cashed within one-hundred and twenty (120) days after the date of issuance, the check will be void, and such funds will revert to Defendants' or their designees.
61. Prospective Relief: Defendants represent they have received informed consent to obtain biometric data from any employee using the timeclock at issue. Defendants further represent that it will not transfer or otherwise disseminate such biometric information or identifiers without informed written consent and will ensure the permanent deletion of such biometric information or identifiers as required by BIPA.

V. RELEASE

62. In addition to the effect of any final judgment entered in accordance with this Agreement, upon final approval of this Agreement, and for other valuable consideration as described herein, the Released Parties shall be completely released, acquitted, and forever discharged from any and all Class Released Claims.
63. As of the Effective Date, and with the approval of the Court, all Releasing Parties hereby fully, finally, and forever release, waive, discharge, surrender, forego, give up, abandon, and cancel all Class Released Claims against the Released Parties. As of the Effective Date, all Releasing Parties will be forever barred and enjoined from prosecuting any action against the Released Parties asserting any and/or all Class Released Claims.

64. Each Releasing Party waives any and all defenses, rights, and benefits that may be derived from the provisions of applicable law in any jurisdiction that, absent such waiver, may limit the extent or effect of the release contained in this Agreement.
65. The Released Parties do not admit any liability or wrongdoing. The Settlement Agreement may not be construed in whole or in part as an admission of fault by the Released Parties. The Released Parties agree to this settlement to avoid the burden and expense of litigation without in any way acknowledging any fault or liability.

VI. PRELIMINARY APPROVAL ORDER

66. This Settlement shall be subject to approval of the Court. As set forth in Section XIII, either Party shall have the right to withdraw from the Settlement if the Court does not approve the material aspects of the Settlement.
67. Plaintiff, through Class Counsel, shall submit this Agreement, together with its Exhibits, to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement, certification of the Settlement Class, appointment of Class Counsel and the Class Representatives, and entry of the Preliminary Approval Order, substantially in the form of Exhibit D, which order shall seek a Final Approval Hearing date and approve the Notices and Claim Form for dissemination in accordance with the Notice Plan.
68. At the time of the submission of this Settlement Agreement to the Court as described above, the Parties shall request that, after Notice is given, the Court hold a Final Approval Hearing approximately one hundred (100) days after entry of the Preliminary Approval Order and approve the settlement of the Litigation as set forth herein.

69. Procedure for Approving Settlement

- a. Plaintiff will file an unopposed motion for an order conditionally certifying the Settlement Class, giving Preliminary Approval of the Settlement, setting a date for the Final Approval Hearing, and approving the Class Notice (the “Unopposed Motion for Preliminary Approval”) under the terms specified herein.
- b. At the hearing on the Unopposed Motion for Preliminary Approval, the Parties will jointly appear, support the granting of the Unopposed Motion for Preliminary Approval, and submit a proposed order granting conditional certification of the Class and preliminary approval of the Settlement; appointing the Class Representatives and Class Counsel; approving the forms of notice to the Settlement Class; and setting the Final Approval Hearing.
- c. For the purposes of the Settlement and the proceedings contemplated herein only, the Parties stipulate and agree that the Class shall be conditionally certified in accordance with the definition contained above, that Plaintiff shall be conditionally appointed class representative, and that Plaintiff’s Counsel shall be conditionally appointed as counsel for the Class. Should the Court decline to preliminarily approve any material aspect of the Settlement, the Settlement will be null and void, the Parties will have no further obligations under it, and the Parties will revert to their prior positions in the Action as if the Settlement had not occurred.

VII. SETTLEMENT ADMINISTRATOR’S DUTIES

70. The Settlement Administrator shall provide notice to class members as outlined below, in Section VIII.

71. Within fourteen (14) days after the entry of the Preliminary Approval, the Settlement Administrator will develop, host, administer and maintain the Settlement Website at an available URL reasonably acceptable and approved in advance by the Parties, containing the notice substantially in the form of Exhibit C, the “Long Form Notice”.
72. If any Notice is returned as undeliverable, the Settlement Administrator shall forward it to any forwarding address provided by the U.S. Postal Service. If no such forwarding address is provided, the Settlement Administrator will utilize a national address locator service to attempt to obtain the most recent address for the Settlement Class Member. For any Notice sent to Class Members that are returned undeliverable, Settlement Class Members will have the longer of the remaining time to object/opt-out of the Settlement or fourteen (14) days from the date of any re-mailing to object or opt out of the Settlement as provided herein.
73. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Settlement Agreement. The Settlement Administrator shall maintain all such records as required by applicable law in accordance with its business practices and such records will be made available to Class Counsel and Defendants’ Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. Upon request, the Settlement Administrator shall provide Class Counsel and Defendants’ Counsel with information concerning Notice, requests for exclusion, administration, and implementation of the Settlement.
74. The Settlement Administrator shall receive requests for exclusion from persons in the Settlement Class and provide to Class Counsel and Defendants’ Counsel a copy thereof within five (5) days of the Objection/Exclusion Deadline. If the Settlement

Administrator receives any requests for exclusion or other requests from Settlement Class Members after the deadline for the submission of requests for exclusion, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendants' Counsel.

75. The Settlement Administrator shall make the Settlement Payments as described in Section V by check and mail them to Settlement Class Members within fourteen (14) days after the Effective Date.
76. The Settlement Administrator shall be responsible for all tax filings related to the Escrow Account, including requesting Form W-9s from Settlement Class Members, performing back-up withholding as necessary, and making any required "information returns" as that term is used in 26 U.S.C. § 1 *et seq.*

VIII. NOTICE TO PROPOSED SETTLEMENT CLASS MEMBERS

77. Class List
 - a. Defendant shall provide the Settlement Administrator a list of all names and last known addresses, in its possession, of all persons in the Settlement Class (the "Class List") as soon as practicable, but no later than fourteen (14) days after entry of the Preliminary Approval Order.
 - b. The Settlement Administrator shall keep the Class List, and all personal information obtained therefrom, strictly confidential.
 - c. Prior to mailing Notice, the Settlement Administrator will update the addresses on the Class List using the National Change of Address database and other available resources deemed suitable by the Settlement Administrator. The Settlement

Administrator shall take all reasonable steps to obtain the correct address of any Class Members for whom Notice is returned by the U.S. Postal Service as undeliverable and shall attempt re-mailings as described above.

78. Direct Notice

- a. No later than the Notice Date, the Settlement Administrator shall send Notice via first-class U.S. Postal Service to each Settlement Class Member substantially in the form attached as Exhibit B.
- b. The Notice shall advise Settlement Class Members prior to the Final Approval Hearing that there is a pending settlement and to further inform Settlement Class Members of their rights under the Settlement, including:
 - i. Their right to be excluded from the settlement and the deadlines and procedure for doing the same;
 - ii. Their right to object to the settlement and the procedure and deadlines for doing the same;
 - iii. The address to the Settlement Website and that such website contains further information regarding the Settlement.

IX. EXCLUSIONS

79. Exclusion Period. On or before the Objection/Exclusion Deadline, Settlement Class Members may exclude themselves from the Settlement in accordance with this Section. If the Settlement is finally approved by the Court, all Settlement Class Members who have not validly excluded themselves by the end of the Objection/Exclusion Deadline will be bound by the Settlement and will be deemed a Releasing Party as defined herein,

and the relief provided by the Settlement will be their sole and exclusive remedy for the claims alleged by the Settlement Class.

80. Exclusion Process

- a. A member of the Settlement Class may request to be excluded from the Settlement Class in writing by a request postmarked on or before the Objection/Exclusion Deadline.
- b. To exercise the right to be excluded, a member of the Settlement Class must timely request exclusion by providing his/her/their name, address, and telephone number; the name and number of this case, a statement that he/she/they wishes to be excluded from the Settlement Class; and a signature. A request to be excluded that is sent to an address other than that designated in the Class Notice, or that is not postmarked within the time specified, shall be invalid and the person serving such a request shall be considered a member of the Settlement Class and shall be bound as Settlement Class Members by the Agreement, if approved.
- c. Any member of the Settlement Class who elects to be excluded shall not:
 - i. be bound by any order or final Judgment;
 - ii. be entitled to relief under this Settlement Agreement;
 - iii. gain any rights by virtue of this Settlement Agreement; or
 - iv. be entitled to object to any aspect of this Settlement Agreement. A member of the Settlement Class who requests to be excluded from the Settlement Class also cannot object to the Settlement.

81. The request for exclusion must be personally signed by the person requesting exclusion. So-called “mass” or “class” exclusion requests shall not be permitted.

82. Within three (3) business days after the Objection/Exclusion Deadline, the Settlement Administrator shall provide Class Counsel and Defendants' Counsel a written list reflecting the name and address of all persons who make a timely and valid exclusion from the Settlement Class.
83. A list reflecting all individuals who timely and validly excluded themselves from the Settlement shall also be filed with the Court at the time of the motion for final approval of the Settlement.

X. OBJECTIONS

84. The Notice shall advise Settlement Class Members of their rights, including the right to be excluded from or object to the Settlement Agreement and its terms.
85. The Notice shall specify that any objection to this Settlement Agreement, and any papers submitted in support of said objection, shall be received by the Court at the Final Approval Hearing only if, on or before the Objection/Exclusion Deadline approved by the Court, the person making an objection shall file notice of his/her/their intention to do so and at the same time:
 - a. file copies of such papers he/she/they proposes to submit at the Final Approval Hearing with the Clerk of the Court; and
 - b. send copies of such papers via United States mail, hand delivery, or overnight delivery to both Class Counsel and Defendants' Counsel. A copy of the objection must also be mailed to the Settlement Administrator at the address that the Settlement Administrator will establish to receive requests for exclusion or

objections, Claim Forms, and any other communication relating to this Settlement.

86. Any Settlement Class Member who intends to object to this Settlement must include in any such objection:
- a. his/her/their full name, address, email address, and current telephone number;
 - b. the case name and number of the Litigation;
 - c. all grounds for the objection, with factual and legal support for the stated objection, including any supporting materials;
 - d. the identification of any other objections he/she/they has filed, or has had filed on his/her/their behalf, in any other class action cases in the last four years; and
 - e. the objector's signature.
87. If represented by counsel, the objecting Settlement Class Member must also provide the name and telephone number of his/her/their counsel. If the objecting Settlement Class Member intends to appear at the Final Approval Hearing, either with or without counsel, he/she/they must state as such in the written objection, and must also identify any witnesses he/she/they may call to testify at the Final Approval Hearing and all exhibits he/she/they intends to introduce into evidence at the Final Approval Hearing, which must also be attached to, or included with, the written objection.
88. Any Settlement Class Member who fails to timely file and serve a written objection and notice of intent to appear at the Final Approval Hearing pursuant to this Agreement, shall not be permitted to object to the approval of the Settlement at the Final Approval Hearing and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by appeal or other means.

89. Settlement Class Members cannot both object to and exclude themselves from this Settlement Agreement. The Settlement Administrator shall attempt to contact any Settlement Class Member who submits both a request for exclusion and an objection at least one time by e-mail or, if no e-mail address is available, by telephone to give the Settlement Class Member an opportunity to clarify whether they choose to exclude themselves or proceed with their objection. The Settlement Class Member shall have until twenty-one (21) days prior to the Final Approval Hearing to inform the Settlement Administrator regarding their final choice. Any Settlement Class Member who attempts to both object to and exclude themselves from this Settlement Agreement and fails to clarify their final choice, or if the Settlement Administrator is unable to contact such Settlement Class Member after reasonable effort as set forth in this paragraph, will be deemed to have excluded themselves and will forfeit the right to object to this Settlement Agreement or any of its terms.

XI. FINAL APPROVAL HEARING

90. The Parties will jointly request that the Court hold a Final Approval Hearing approximately one hundred (100) days after entry of the Preliminary Approval Order. The Final Approval Hearing will be conducted by Zoom videoconference or as the Court otherwise directs.
91. At least fourteen (14) days prior to the Final Approval Hearing, or by some other date if so directed by the Court, Plaintiff will move for (i) final approval of the Settlement; (ii) final appointment of the Class Representatives and Class Counsel; and (iii) final certification of the Settlement Class, including for the entry of a Final Order and

Judgment consistent with Section XII below, and file a memorandum in support of the motion for final approval. Plaintiff shall provide a copy of the motion for final approval and supporting memorandum at least five (5) business days in advance of filing to Defendants' counsel for review.

92. At the Final Approval Hearing, the Parties will request that the Court consider whether the Settlement Class should be certified as a class pursuant to 735 ILCS § 5/2-801 for settlement and, if so,
 - a. consider any properly and timely filed objections,
 - b. determine whether the Settlement is fair, reasonable and adequate, was entered into in good faith and without collusion, and should be approved, and shall provide findings in connections therewith, and
 - c. enter the Final Approval Order, including final approval of the Settlement Class and the Settlement Agreement, and Fee and Incentive Awards.

XII. FINAL APPROVAL ORDER

93. The Parties shall jointly seek entry of a Final Approval Order, the text of which the Parties shall agree upon. The dismissal orders, motions or stipulation to implement this Section shall, among other things, seek or provide for a dismissal with prejudice and waiving any rights of appeal.
94. The Parties shall jointly submit to the Court a proposed final order that, without limitation:

- a. Approves finally this Agreement and its terms as being a fair, reasonable, and adequate settlement as to the Settlement Class Members within the meaning of 735 ILCS 5/2-801 and directing its consummation according to its terms;
 - b. Dismisses, with prejudice, all claims of the Settlement Class against Defendants in the Litigation, without costs and fees except as explicitly provided for in this Agreement; and
 - c. Reserves continuing and exclusive jurisdiction over the Settlement and this Agreement, including but not limited to the Litigation, the Settlement Class, the Settlement Class Members, Defendants, and the Settlement for the purposes of administering, consummating, supervising, construing and enforcing the Settlement Agreement and the Settlement Fund.
95. Class Counsel shall use their best efforts to assist Defendants in obtaining dismissal with prejudice of the Litigation and take all steps necessary and appropriate to otherwise effectuate all aspects of this Agreement.

XIII. TERMINATION OF THE SETTLEMENT

96. The Settlement is conditioned upon preliminary and final approval of the Parties' written Settlement Agreement, and all terms and conditions thereof without material change, material amendments, or material modifications by the Court (except to the extent such changes, amendments or modifications are agreed to in writing between the Parties). All Exhibits attached hereto are incorporated into this Settlement Agreement. Accordingly, any Party may elect to terminate and cancel this Settlement Agreement within ten (10) days of any of the following events:

- i. This Settlement Agreement is changed in any material respect to which the Parties have not agreed in writing;
 - ii. The Court refuses to grant Preliminary Approval of this Agreement;
 - iii. The Court refuses to grant final approval of this Agreement in any material respect;
 - iv. The Court refuses to enter a final judgment in this Litigation in any material respect; or
 - v. The Court's order granting preliminary or final approval is substantially modified or reversed.
97. In the event the Settlement Agreement is not approved or does not become final, or is terminated consistent with the provisions herein, the Parties, pleadings, and proceedings will return to the *status quo ante* as if no settlement had been negotiated or entered into, and the Parties will negotiate in good faith to establish a new schedule for the Litigation.

XIV. ATTORNEYS' FEES, COSTS AND EXPENSES AND INCENTIVE AWARD

98. At least twenty-one (21) days prior to the Objection/Exclusion Deadline, Class Counsel will move the Court for an award of attorneys' fees plus their reasonable costs and expenses.
99. The amount of the Fee Award shall be determined by the Court based on a petition from Class Counsel. Class Counsel has agreed, with no consideration from Defendant, to limit their request for fees, costs, and reasonable expenses to no more than \$140,250 of the Settlement Fund. Defendants agree to not object to or otherwise challenge, directly or indirectly, Class Counsel's petition for attorneys' fees, costs, and expenses if limited to

this amount. Payment of the Fee Award shall be made from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this section shall remain in the Settlement Fund and be distributed to Settlement Class Members.

100. The Fee Award shall be paid solely from the Settlement Fund by wire transfer from the Settlement Administrator within seven (7) days of the Effective Date and sent to an account designated by Class Counsel.
101. Notwithstanding any contrary provision of this Agreement, the Court's consideration of the Fee Award is to be conducted separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement Agreement, and any award made by the Court with respect to Class Counsel's attorneys' fees or expenses, or any proceedings incident thereto, including any appeal thereof, shall not operate to terminate or cancel this Agreement or be deemed material thereto.
102. Prior to or at the same time as Plaintiff seeks final approval of the Settlement Agreement, Class Counsel shall move the Court for an Incentive Award for the Class Representative in an amount not to exceed \$25,000, and Defendant agrees that it will not oppose the requested Incentive Award. The Incentive Awards shall be paid solely from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this section shall remain in the Settlement Fund and be distributed to Settlement Class Members.

103. Payment of the Incentive Awards shall be made by check payable to the Plaintiff and mailed by the Settlement Administrator to Plaintiff's Counsel within seven (7) days of the Effective Date.
104. In no event will Defendants' liability for attorneys' fees, expenses, and costs, Administration Expenses, and/or an Incentive Award exceed the funding obligations set out this Agreement. Defendants shall have no financial responsibility for this Settlement Agreement outside of the Settlement Fund. Defendants shall have no further obligation for attorneys' fees or expenses to any counsel representing or working on behalf of either one or more individual Settlement Class Members or the Settlement Class. Defendants will have no responsibility, obligation or liability for allocation of fees and expenses among Class Counsel.

XV. MISCELLANEOUS REPRESENTATIONS

105. For income tax purposes, the Parties agree that payments made pursuant to this Agreement shall be allocated as statutory penalties and shall not be subject to required withholdings and deductions and may be reported as non-wage income, as required by law.  - c. no attorney or adviser to any other Party has imposed any limitation that protects the confidentiality of any such attorney's or adviser's tax strategies (regardless of whether such limitation is legally binding) upon disclosure by the acknowledging party of the tax treatment or tax structure of any transaction, including any transaction contemplated by this Settlement Agreement.

107. The Parties agree that the Settlement Agreement provides fair, equitable and just compensation, and a fair, equitable, and just process for determining eligibility for compensation for any given Settlement Class Member related to the Released Claims.
108. The Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement, and (ii) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement. Class Counsel and Defendants' Counsel agree to cooperate with each other in seeking Court approval of the Preliminary Approval Order, the Settlement Agreement, and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement.
109. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff and the Settlement Class, and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand.
110. Nothing express or implied in this Agreement is intended or shall be construed to confer upon or give any person or entity other than the Parties, Released Parties, and Settlement Class Members any right or remedy under or by reason of this Agreement. Each of the Released Parties is an intended third-party beneficiary of this Agreement with respect to the Released Claims and shall have the right and power to enforce the release of the Released Claims in his, her or its favor against all Releasing Parties.

The Parties have read and understand fully this Settlement Agreement, including its Exhibits, and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.
112. Any headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

115. This Agreement may not be amended, modified, altered, or otherwise changed in any manner except by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.
116. The Parties agree that Exhibits B through D to this Settlement Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

121. The Parties specifically acknowledge, agree and admit that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents shall be considered a compromise within the meaning of Illinois Rule of Evidence Rule 408, and any other equivalent or similar rule of evidence, and shall not (1) constitute, be construed, be offered, or received into evidence as an admission of the validity of any claim or defense, or the truth of any fact alleged or other allegation in the Litigation or in any other pending or subsequently filed action, or of any wrongdoing, fault, violation of law, or liability of any kind on the part of any Party, or (2) be used to establish a waiver of any defense or right, or to establish or contest jurisdiction or venue.
122. Further, neither this Settlement Agreement, the Settlement contemplated by it, nor any proceedings taken under it, will be construed or offered or received into evidence as an admission, concession or presumption that class certification

Plaintiff,

vs.

BLACKHAWK MEDICAL
TRANSPORTATION, INC. & ATG
MANAGEMENT SERVICES, INC.;

Case No. 2022-CH-00048

Hon. Bennett Braun

**DECLARATION OF AMERICAN LEGAL
CLAIM SERVICES, LLC REGARDING
DUE DILIGENCE IN NOTICING**

I, Mark Unkefer, declare as follows:

1. I am a competent adult, over the age of eighteen, and this declaration is based on my personal knowledge.
2. I am a Case Manager for American Legal Claim Services, LLC (“ALCS”).
3. **Class List Receipt and Processing:** On or about September 25, 2025, ALCS processed an Excel data file received from Counsel to produce the mailing list (“Class List”). The file contained 3 tabs with 495 total records with names and addresses. ALCS reviewed and processed the data. The final class list contained 495 class members. There were no duplicates based on names and addresses. Throughout the noticing process, ALCS utilized several means of ensuring the most accurate mailing addresses for class members. These methods included National Change of Address through USPS, skip-tracing, and manual updates from class members.
4. **Initial Class Notice:** On October 1, 2025, ALCS mailed the Notice of Proposed Class Action Settlement, substantially in the form approved by the Court (attached hereto as Exhibit A), to 495 class members.
5. **Returned Mail Handling:** ALCS processed all Notices returned by USPS. A minority of the return mail pieces included an updated address provided by USPS (“FOE”). The remainder of the mail returned by USPS did not include an updated address (“UAA”). For these, ALCS conducted address searches using a nationally recognized location service to attempt to locate new addresses for these class members. Of the 495 Initial Notices mailed, 60 were returned by USPS as of the date of this declaration. Of those 60 returned, 42 were remailed to updated addresses. 3 of those remails were returned by USPS. 21 Notices were deemed undeliverable.
6. **Noticing Campaign Summary:** The following is a summary of the noticing as of the date of this Declaration:

- Total Class Members: 495
 - Initial Notices mailed via USPS: 495
 - Initial Notices returned by USPS: 60
 - Notices remailed via USPS: 42
 - Rемаiled Notices returned by USPS: 3
 - Notices deemed undeliverable: 21
 - Percentage of Notices deemed delivered: **95.76%**
7. **Exclusions:** The Notice instructed those who did not wish to be a member of the settlement class to contact the Settlement Administrator by mail. It further stated that the letter must be postmarked no later than October 31, 2025. As of the date of this declaration, ALCS is not aware of any requests to be excluded from the proposed settlement.
 8. **Objections:** The Notice instructed those who wish to object to the proposed settlement to file a letter or brief with the Court and to provide copies to Class Counsel, Defendants' Counsel and the Settlement Administrator. It further stated that objections should be postmarked no later than October 31, 2025. As of the date of this declaration, ALCS is not aware of any objections to the proposed settlement.
 9. **Website:** ALCS created a case website www.illinoisbipasettlement.com that provided further information as stated in the Notice. The website was made generally available on October 1, 2025. The website contained sections for important Court documents, key dates, and answers to frequently asked questions. Class members also had an opportunity to update their address.
 10. **Toll-Free Telephone:** ALCS established a toll-free telephone line (844-755-5801) for Class members to contact for additional information about the settlement. The toll-free number was established on September 19, 2025 and fully functional on October 1, 2025.

I declare under penalty of perjury pursuant to the laws of the State of Florida that the foregoing is true and correct to the best of my knowledge. Executed on November 6, 2025, in Jacksonville, Florida.

Exhibit A

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT
Galvin v. Blackhawk Medical Transportation, Inc. et al. 2022-CH-00048,
Circuit Court of Will County, Illinois

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

A settlement has been reached in a class action lawsuit Blackhawk Medical Transportation, Inc. and ATG Management Services, Inc. (“Defendants”) and some of its current and former Illinois employees. The lawsuit claims that Defendants violated an Illinois law called the Biometric Information Privacy Act (“BIPA”) by collecting scans of their employees’ fingerprints using a fingerprint scanning timeclock and not complying with the law’s requirements. Defendants deny any wrongdoing and maintain that they have not violated any laws. The settlement does not establish who is right. Rather, Defendants chose to settle this lawsuit to avoid the time and expense of continued litigation. The lawsuit is called *Galvin v. Blackhawk Medical Transportation, Inc. et al. 2022-CH-00048*, and is before Judge Bennet Braud in the Circuit Court of Will County in Joliet, Illinois.

For complete information, visit illinoisbipasettlement.com

OUR RECORDS INDICATE THAT YOU ARE A MEMBER OF THE SETTLEMENT CLASS

- **How do I know if I am a Class Member?** The Settlement Class includes all individuals who used a fingerprint scanning timeclock while working for Defendant Blackhawk and/or another company managed by Defendant ATG in Illinois from August 13, 2016 through September 16, 2025 who used a fingerprint scanning timeclock before signing any consent form regarding biometric information.
- **What can I get out of the Settlement?** If you’re a member of the Settlement Class, and the Court approves the Settlement, a check will automatically be mailed to you. You do not have to send in a claim form. The exact amount of the check will vary depending on the final cost of the Settlement approved by the Court which will include legal fees and incentive payments to the named Plaintiff. You will receive between \$400 - \$500. Defendants no longer use the fingerprint scanning timeclock and have agreed to destroy the device.
- **What are my options?** You have three options: You can do nothing, exclude yourself from the settlement, or object to any of the settlement terms.
- Objecting simply means telling the Court that you don’t like something about the Settlement. You may Object only if you stay in the Settlement Class as a Class Member and do not exclude yourself. Excluding yourself from the Settlement Class is telling the Court that you don’t want to be a Settlement Class Member. You CANNOT do both – by excluding yourself, you have no basis to object because the case no longer affects you or your legal rights.

All requests for Exclusion and Objections must be postmarked by October 31, 2025

1. **Do Nothing:** You will receive a payment and won't be able to sue Defendants in a future lawsuit about their use of the fingerprint-scanning timeclock.
2. **Exclude yourself:** If you exclude yourself from the Settlement, you won't receive a check, but you will keep your right to sue Defendants in your own lawsuit regarding their use of the fingerprint-scanning timeclock. You must contact the Settlement Administrator by mail to exclude yourself.

To exclude yourself, you must write to the Settlement Administrator at the following address:

Galvin v Blackhawk
 c/o Settlement Administrator
 PO Box 23678
 Jacksonville, FL 32241

and include the following information:

- i. Your name, address, and telephone number;
- ii. the name and case number of this case: *Galvin v. Blackhawk Medical Transportation, Inc. et al.* 2022-CH-00048, (Will County Cir. Ct),

EXHIBIT C

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them as in the Settlement Agreement.

2. The Court has subject-matter jurisdiction to approve the Settlement Agreement, including all attached exhibits, and personal jurisdiction over all Parties to the Action, including all Settlement Class Members.

3. On September 16, 2025, this Court preliminarily approved the Settlement Agreement as fair, reasonable, and adequate, and conditionally certified, pursuant to Section 2-801 of the Illinois Code of Civil Procedure, and for the purposes of settlement only, the following Settlement Class consisting of:

All persons in the United States whose fingerprints or other biometric information or identifiers are or were collected, captured or otherwise obtained by any Defendant in Illinois, at any time from five years before the date of Plaintiff's original complaint to the date the class is certified.

4. Notice to the Settlement Class has been provided in accordance with the Court's Preliminary Approval order, and the substance of and dissemination program for the Notice provided the best practicable notice under the circumstances; was reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action and their rights to object to or exclude themselves from the Settlement Agreement and to appear at the Final Approval Hearing; was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to received notice; and fulfilled the requirements of 735 ILCS 5/2-803 and due process.

5. The Settlement Agreement was the result of arm's-length negotiations conducted in good faith by experienced attorneys familiar with the legal and factual issues of this case and is supported by the Class Representative and Class Counsel. The Class Representative and Class

Counsel adequately represented the Settlement Class for purposes of entering into and implementing the Settlement Agreement.

6. The Court has considered each of the factors set forth in *City of Chicago v. Korshak*, 206 Ill. App. 3d 968, 971-72 (1st Dist. 1990). The Court finds that the Settlement Agreement is fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members in light of the complexity, expense, and duration of the litigation and the risks involved in establishing liability and damages and in maintaining the class action through trial and appeal. The consideration provided under the Settlement Agreement constitutes fair value given in exchange for the Released Claims. The Court finds that the consideration to be paid to the Settlement Class Members is reasonable, considering the facts and circumstances of the claims and affirmative defenses available in the Action and the potential risks and likelihood of success of alternatively pursuing litigation on the merits.

7. No Settlement Class Member has objected to any of the terms of the Settlement Agreement, and no Settlement Class Member has submitted any request for exclusion.

8. The Parties and their counsel are directed to implement and consummate the Settlement Agreement according to its terms and conditions. The Parties and Settlement Class Members are bound by the terms and conditions of the Settlement Agreement.

9. The Settlement Agreement is hereby finally approved in all respects, and the Parties are hereby directed to perform its terms.

10. Other than as provided in the Settlement Agreement and this Order, the Parties shall bear their own costs and attorneys' fees.

11. Subject to the terms and conditions of the Settlement Agreement, this Court hereby enters a Final Judgment and dismisses the Action on the merits and with prejudice.

12. Upon the Effective Date of the Settlement Agreement, Plaintiff and Each Settlement Class Member, shall be deemed to have released, and by operation of the Final Judgment shall have, fully, finally, and forever release, waive, discharge, surrender, forego, give up, abandon, and any and all actual, potential, filed, unfiled, known or unknown, fixed or contingent, claimed or unclaimed, suspected or unsuspected, claims, demands, liabilities, rights, causes of action, contracts or agreements, extra-contractual claims, damages, liquidated damages, punitive damages, exemplary damages, multiplied damages, expenses, costs, attorneys' fees and/or obligations, whether in law or in equity, accrued or unaccrued, direct, individual or representative, of every nature and description whatsoever, whether based on the Illinois Biometric Information Privacy Act or other federal, state, local, statutory or common law or any other law, including the law of any jurisdiction outside the United States, against the Defendants, arising out of or relating to the collection, capture, receipt, storage, use, dissemination, retention, or disclosure of biometric and/or fingerprint data or information at any time prior to and up to the date of final approval by the court of the Settlement Agreement, including any and all claims that were pleaded in the Litigation.

13. All Settlement Class Members are hereby permanently barred and enjoined from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims.

14. The Parties may, without further approval from the Court, agree to and adopt such amendments, modifications, and expansions of the Settlement Agreement and its implementing documents (including all exhibits) that (i) shall be consistent in all respects with this Final Judgment; and (ii) do not limit the rights of the Settlement Class Members.

15. The Court awards to Class Counsel \$ _____ as a fair and reasonable attorneys' fee, which shall include all attorneys' fees and reimbursable expenses associated with this Action. This amount shall be paid from the Escrow Account pursuant to the terms in the Settlement Agreement.

16. The Court awards to the Class Representative an incentive award of \$ _____, for their time and effort serving the Settlement Class in this Action. This amount shall be paid from the Escrow Account pursuant to the terms in the Settlement Agreement. This amount includes their pro rata share of the Settlement Fund and Class Representatives will not receive an additional amount from the Settlement Fund.

17. The Court approves administration costs in the amount of \$ _____, to be paid from the Settlement Fund to the Claims Administrator.

18. The total amount for distribution to the 495 Class Members is \$ _____. Each Class Member will be mailed a check for \$ _____.

19. To the extent that any payments made to Settlement Class Members pursuant to the Settlement Agreement are not cashed within 120 days of issuance, those checks shall be void. Any of those funds or other funds remaining in the Settlement Fund after 120 days of issuance will revert to Defendants or their designees.

20. Without affecting the finality of this Final Judgment for purposes of appeal, the Court retains jurisdiction as to all matters related to the administration, consummation, enforcement, and interpretation of the Settlement Agreement and this Final Judgment, and for any other necessary purpose.

21. All future hearing dates are stricken.

IT IS SO ORDERED.
