RECEIVER’S QUARTERLY STATUS REPORT

Christopher L. Perkins, the court-appointed Receiver in the above-captioned civil matter, (“**Receiver**”), by counsel, and pursuant to this Court’s October 15, 2018 Order, submits the following report (this “**Quarterly Status Report**”) to the Court.

Procedural and Factual Background

1. On October 5, 2018, the Securities and Exchange Commission (“**SEC**”) commenced this case by filing a complaint (the “**Complaint**”) against certain Receivership Defendants, among others, for violations of federal securities laws. The Complaint requested certain relief, including an injunction against the dissipation of assets, an accounting of assets and liabilities, and a civil penalty.

2. By Order dated October 12, 2018 (the “**Receivership Order**”), the Court appointed the original receiver and directed him to, among other things, assume control of and take possession of all funds and other assets of the Receivership Defendants. By Order dated December 13, 2019, the Court appointed the undersigned to succeed the original receiver.

3. Pursuant to paragraphs 23 and 24 of the Receivership Order, the Receiver is directed to file this Quarterly Status Report reflecting, among other things, the existence, value, and location of all Receivership Property, and the extent of liabilities.

4. On November 14, 2018, the Receiver filed an Initial Report detailing his activities to date, investigation of assets, and his formulation of a claims process. On January 31, 2019, May 1, 2019, October 30, 2019, January 31, 2020, and April 24, 2020, the Receiver filed subsequent Quarterly Status Reports. Those reports are incorporated herein.

5. The Receiver files this Report and the attached Exhibits in compliance with the Court’s directive:

(a) **Summary of the operations of the Receiver.**

6. Since the last Report, the Receiver and his professionals have undertaken the following activities, among others:

- (i) continued the sale of assets of the estates, including certain limited partnership investments of Kiddar Capital, LLC, and personal property of Hitt;
- (ii) transferred and/or assigned various real property and ownership interests of the estate and Hitt to certain Investor Victims in compliance with the Supplemental Settlement and Plan of Distribution;
- (iii) obtained fully executed General Releases from each of the 45 creditors scheduled to share pro rata from the funds in Pool 2 in accordance with the Plan of Distribution;
- (iv) consulted with the estate's tax advisors and state and federal taxing authorities regarding various tax issues and preparation of final tax returns for estate entities; and
- (v) continued coordination with the SEC, and United States Attorney's Office.

(b) The amount of cash on hand, the amount and nature of accrued administrative expenses, and the amount of unencumbered funds in the estate.

7. Attached hereto as Exhibit 2.3 is a listing of the total cash on hand as of June 30, 2020.

(c) A schedule of all the Receiver's receipts and disbursements.

8. Attached hereto as Exhibit 2.0 is a listing of all such transactions as of June 30, 2020.

(d) A description of all known Receivership Property including approximate or actual valuations, anticipated or proposed dispositions, and reasons for retaining assets where no disposition is intended.

9. The attached Exhibit 3.1 lists each of the real property assets sold by the Receivership and their values. In addition, the Receiver concluded the liquidation of several

investments in technology start-up companies as described on Exhibit 3.2. Finally, the Receiver has concluded his liquidation of certain personal assets of Hitt as described on Exhibit 3.3. The Receiver intends to enter into a remnant asset sale at the close of the Receivership which will fully dispose of all Receivership property.

(e) A description of liquidated and unliquidated claims held by the Receivership Estate, including the need for forensic and/or investigatory resources; approximate valuations of claims; and anticipated or proposed methods of enforcing such claims.

10. The Receiver's investigation led to the consummation of the Hitt Family Settlement, bringing substantial funds into the Estates and eliminating claims against the Estates.

(f) A list of all known creditors with their addresses and the amounts of their claims.

11. Attached as Exhibits 4.0 and 4.1 are lists of the claims filed against and allowed by the Receivership and the approved Plan of Distribution.

(g) The status of Creditor Claims Proceedings, after such proceedings have been commenced.

12. The Receiver's analysis of the claims is complete, and the Court approved the Receiver's Plan of Distribution, including proposed Allowed Claim amounts to all creditors by Order dated February 28, 2020 [Civil Docket No. 136].

(h) The Receiver's recommendations for a continuation or discontinuation of the receivership and the reasons for the recommendations.

13. While the Receiver has nearly completed the liquidation of estate assets and other wind down activities, the preparation and filing of numerous tax returns remains a time intensive

and ongoing exercise which is anticipated to take another six weeks to complete. Following the resolution of all estate tax issues, the Receiver intends to file a motion to approve a final accounting, approve final administrative expenses, establish criminal restitution, and terminate the receivership. For these reasons, the Receiver recommends the Receivership continue for one final period of up to three months to complete those administrative and wind down functions and issue the final distribution of funds to creditors and victims.
