

**NOTICE OF PROPOSED CLASS ACTION SETTLEMENT**  
*Chatman v. Harmony Nursing & Rehabilitation Center, Inc., 2020-CH-02234,*  
(Cook County Cir. Ct) Cook County, Illinois

**If you used a fingerprint scanning timeclock at a Harmony Nursing & Rehabilitation Center, Inc. facility in Illinois between February 22, 2015 and February 23, 2023 before you signed a biometric consent form, you may be entitled to a payment from a class action settlement.**

*A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.*

- A settlement has been reached in a class action lawsuit between Harmony Nursing & Rehabilitation Center, Inc. (“Defendant” or “Harmony”) and some of its current and former Illinois employees. The lawsuit claims that Harmony violated an Illinois law called the Biometric Information Privacy Act (“BIPA”) by collecting scans of their employees' fingerprints using a fingerprint scanning timeclock and not complying with the law’s requirements.
- Harmony denies any wrongdoing and maintains that it has not violated any laws. The settlement does not establish who is right. Rather, Harmony chose to settle the lawsuit and avoid the time and expense of continued litigation.
- The lawsuit is called *Chatman v. Harmony Nursing & Rehabilitation Center, Inc.*, No. 2020-CH-02234, and is before Judge David B. Atkins in the Circuit Court of Cook County in Chicago, Illinois.
- If you’re eligible, and the Court approves the Settlement, a check will automatically be mailed to you for an amount between \$500-\$600. You will not have to send in a claim form. Harmony now collects the required consent from each employee before they use the fingerprint scanning timeclock and has agreed to comply with BIPA regarding the retention and destruction of biometric data they collect.

Do Nothing	You will receive a payment under the Settlement if you are eligible and give up the right to sue Harmony about the issues in this case.
------------	---

Exclude Yourself	You will receive NO payment, but you will retain any rights you currently have to sue Harmony about the issues in this case.
Object	Write to the Court explaining why you don't like the Settlement or any part of it.

These rights and options – **and the deadlines to exercise them** – are explained in this notice.

The Court still has to decide whether to approve the Settlement and checks will only be issued after the Court approves the Settlement. Please be patient.

### BASIC INFORMATION

#### 1. What is this Notice and why should I read it?

A Court authorized this notice to let you know about a Proposed Class Action Settlement with the Defendant, Harmony Nursing & Rehabilitation, Inc. You have legal rights and options that you may act on before the Court chooses to approve, deny, or alter the Proposed Class Settlement. You may be eligible to receive a cash payment as part of the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, and how to exercise them.

#### 2. What is a class action lawsuit?

A class action is a lawsuit in which one or more plaintiffs sue on behalf of a group of people who have similar claims. This group is called a “Class” and consists of “Class Members.” In a class action, the court resolves the issues for all class members, except those who choose to exclude themselves from the class. After the Parties reached an agreement to settle this case, the Court granted preliminary approval of the Settlement and decided the case should be treated as a class action for settlement purposes.

In this case, Jasmine Chatman (the “Plaintiff” and “Class Representative”) sued Harmony on behalf of herself and all other people with similar claims.

### THE CLAIMS IN THE LAWSUIT AND THE SETTLEMENT

#### 3. What is this lawsuit about?

The lawsuit alleges that Harmony violated an Illinois law called the Biometric Information Privacy Act (“BIPA”) by using a fingerprint scanning time clock in Illinois without complying with the law’s requirements, including by failing to get employees’ written

consent to the collection of their biometric data prior to the employee’s use of the timeclock, and failing to provide a publicly-available retention policy.

Harmony denies the Plaintiffs’ claims and denies that it violated any laws. No court has decided who is right. The parties are instead entering into the Settlement to avoid time-consuming and expensive litigation with uncertain results for all Parties. The Settlement is not an admission of wrongdoing by Harmony. More information about the complaint in the lawsuit and Defendant’s position can be found in the “Important Court Documents” section of the settlement website at [www.harmonynursingsettlement.com](http://www.harmonynursingsettlement.com).

4. Why is there a settlement?

The Court has not decided who is right and who is wrong or whether Plaintiff or Harmony should win this case. Instead, both sides agreed to the Settlement. That way, they can avoid the uncertainty, expense, and time of ongoing litigation, and Class Members will get compensation now rather than years from now—if ever. Plaintiffs and their attorneys (“Class Counsel”) believe that the Settlement is in the best interests of the Settlement Class.

**WHO IS INCLUDED IN THE SETTLEMENT?**

5. Who is in the Settlement Class?

The Court decided that the Settlement should include all individuals who used a fingerprint scanning time clock at any of Harmony Nursing & Rehabilitation Center, Inc.’s facilities in Illinois between February 22, 2015 and February 23, 2023 prior to signing any consent form regarding biometric information. Excluded from the Settlement Class are:

- i. Any Judge presiding over the action and any Court personnel and their families;
- ii. Any person who properly executes and files a timely request for exclusion from the class, and,
- iii. The legal representatives, successors or assigns of any such excluded persons.

6. How do I know if I am a Class Member?

The Settlement Class includes all individuals who worked for Harmony in Illinois from May February 22, 2015 through February 23, 2023 who used a fingerprint scanning timeclock before signing any consent form regarding biometric information.

**THE SETTLEMENT BENEFITS**

7. What can I get out of the Settlement?

**Cash Payments to Class Members:** If you’re a member of the Settlement Class, and the Court approves the Settlement, a check will automatically be mailed to you. You do not have to send in a claim form. The exact amount of the check will vary depending on the final cost

of the Settlement approved by the Court which will include legal fees and incentive payments to the Class Representatives. You will receive between \$500 - \$600.

**Agreement on Future Conduct:** Harmony now obtains the required consent from each employee before they use the fingerprint scanning timeclock and has agreed to comply with BIPA regarding the retention and destruction of any biometric data.

## HOW TO GET BENEFITS

8. How do I get a payment?

If you are a Class Member and you do not Exclude yourself, the Settlement Administrator will send a check to your last known address if the Court approves the Settlement.

9. When will I get my check?

The Court still has to consider the fairness of the Settlement and decide whether to approve the Settlement or not. The Final Approval Hearing is set for **June 1, 2023**. If the Court approves the Settlement, eligible Class Members will automatically be sent a check. Please be patient. All checks will expire and become void 90 days after they are issued. Uncashed checks will be donated, pending Court approval, to Lucy Parsons Lab, a non-profit organization.

## THE LAWYERS REPRESENTING YOU

10. Do I have lawyers in the case?

Yes, the Court has appointed Michael Drew of Neighborhood Legal, LLC, as the attorney to represent the Class Members. This attorney is called “Class Counsel.” The Court also appointed Jasmine Chatman to serve as Class Representative. They are class members as well. Class Counsel can be reached by calling 1-312-967-7220 or by sending an email to [mwd@neighborhood-legal.com](mailto:mwd@neighborhood-legal.com)

11. Should I get my own lawyer?

You don’t need to hire your own lawyer because Class Counsel is working on behalf of the entire class. You may hire your own lawyer, but you will have to pay their costs and expenses yourself.

12. How will the Class Counsel be paid?

Class Counsel will ask the Court for attorneys’ fees and expenses of up to \$80,000. They will also ask the Court for an “incentive award” of \$7,500 for the Class Representative to account for her time and effort in bringing the lawsuit in the first place and seeing it through to

resolution. The Court may award less than the requested amounts and any reduction in amounts will go into the Settlement Fund to be distributed to the Class Members.

19. What is the difference between Excluding myself and Objecting?

Objecting simply means telling the Court that you don't like something about the Settlement. You may Object only if you stay in the Settlement Class as a Class Member and do not exclude yourself. Excluding yourself from the Settlement Class is telling the Court that you don't want to be a Settlement Class Member. You CANNOT do both – by excluding yourself, you have no basis to object because the case no longer affects you or your legal rights.

### **THE COURT'S FINAL APPROVAL HEARING**

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a final approval hearing on June 1, 2023 before Judge David B. Atkins in Room 2102 at the Richard J. Daley Center, 50 W. Washington, Chicago, IL 60602. The hearing may take place via Zoom.

The date, time and whether the Hearing will be remote or in-person are subject to change by Court Order. Any changes will be posted to the settlement website.

The purpose of the Final Approval Hearing is for the Court to determine whether the Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. At the hearing, the Court will hear any objections and arguments concerning the fairness of the proposed Settlement, including those related to the amount requested by Class Counsel for attorney's fees, costs, and the incentive awards to the Class Representatives.

21. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. You are, however, welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as your written objection was filed or mailed on time and meets the other criteria described in the Settlement, the Court will consider it. You may attend the hearing and speak about your objection, but you must file an objection and state your intention to appear at the hearing in the objection, as described above in paragraph 18. You may also pay a lawyer to attend, but you don't have to.

If you exclude yourself from the Settlement or you don't properly object to the Settlement, you cannot speak at the hearing.

22. Where do I get more information?
