Plaintiffs,

MEDICAL SYSTEM, *et al.*,

Case No.: 1:21-cv-01824-JRR

NOTICE OF CLASS ACTION SETTLEMENT

This notice advises you of the Settlement of *Moler, et al., v. University of Maryland Medical System, et al.*, Case No. 1:21-cv-01824 (D. Md.) (the “Action”). On July 22, 2021, Plaintiffs filed a Class Action Complaint asserting claims under the Employee Retirement Income Security Act of 1974 (“ERISA”), 29 U.S.C. §§ 1109, 1132, for breach of fiduciary duties against Defendants. The Settlement would release Defendants and related parties from any claims filed against them in the Action. The terms and conditions of the Settlement are set forth in a Class Action Settlement Agreement (the “Settlement Agreement”). Capitalized terms used in this notice but not defined in this notice have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement and additional information with respect to the Action and the Settlement are available at www.UMMSERISASettlement.com or by contacting Class Counsel, as described below.

The Parties have agreed to settle this case for \$3,250,000 (the “Gross Settlement Amount”). The Court has preliminarily approved the Settlement, which provides for allocation of Settlement

funds to Members of the Settlement Class.

The Court has scheduled a hearing concerning Final Approval of the Settlement, Class Counsel’s motion for attorney’s fees and costs, and for Case Contribution Awards to the Plaintiffs. That hearing, before the Honorable Julie R. Rubin is scheduled on **May 22, 2024**, at 2:00 p.m. in Courtroom 3A, at the U.S. District Court, 101 West Lombard Street, Baltimore, Maryland 21201.

If Final Approval is granted, the Settlement will bind you as a Member of the Settlement Class. You may appear at this hearing and/or object to the Settlement. Any objection to the Settlement, the motion for attorney’s fees and costs, and/or the request for Plaintiffs’ incentive Awards must be served in writing on the Court and the Parties’ counsel. More information about the hearing and how to object is explained below.

YOUR LEGAL RIGHTS WILL BE AFFECTED WHETHER OR NOT YOU TAKE ANY ACTION. READ THIS NOTICE CAREFULLY. PLEASE DO NOT CONTACT DEFENDANTS OR THE COURT. THEY WILL NOT BE ABLE TO ANSWER YOUR QUESTIONS.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
You can do nothing. (No action is necessary to receive a payment.)	If the Settlement is approved by the Court and you are a Member of the Settlement Class entitled to a payment under the Plan of Allocation, you do not need to do anything to receive a payment. Note, not all Members of the Settlement Class are entitled to a payment.
You can submit an objection. (It must be postmarked by April 22, 2024.)	If you wish to object to any part of the Settlement, you may write to the Court and Counsel and explain why. For more information and where to send your objection, see Question 13, below.
You can appear at the Final Fairness Hearing on May 22, 2024.	If you submit a written objection to the Settlement before the Court-Approved Deadline, you may (but do not have to) speak in Court about the fairness of the Settlement.

These rights and options—**and the deadlines to exercise them**—are explained in this notice.

Information concerning your individual share of the Net Settlement Amount will not be available for a number of months *after* the Court grants Final Approval of the Settlement and any appeals are resolved. Thank you for your patience.

SUMMARY OF CASE

As described in more detail below and in Plaintiffs’ Complaint, Plaintiffs allege that Defendants breached fiduciary duties owed to participants in and beneficiaries of the UMMS 401(a) Defined Contribution Plan (Plan No. 008206); the UMMS Voluntary 403(b) Plan (Plan No. 008207); the University of Maryland Medical System 403(b) Retirement Savings Plan; the University of Maryland Capital Region Health Retirement Savings Plan; the Shore Health System, Inc. 401(k) Plan; The University of Maryland Charles Regional Medical Center Savings Plan; The University of Maryland Capital Region Health Retirement Savings Plan; and the Baltimore Washington Health Enterprises 401(k) Plan, and each of their predecessor plans or successor plans, individually and collectively, and any trust created and attendant to all such plans (collectively, the “Plans”) during the Class Period. Defendants deny these allegations and insist they have done nothing wrong. Copies of the Settlement Agreement and many other documents related to the Settlement are available at www.UMMSERISASettlement.com.

SUMMARY OF SETTLEMENT

The Settlement Agreement provides that Defendants will pay \$3,250,000, which will be deposited into an account called the Qualified Settlement Fund. After payment of attorneys' fees and litigation costs, and any expenses related to administration of the Settlement, the amount remaining in the Qualified Settlement Fund shall constitute the Net Settlement Amount and will be allocated among Members of the Settlement Class according to a Plan of Allocation to be approved by the Court.

STATEMENT OF POTENTIAL OUTCOME OF THE ACTION

Class Counsel believe that the claims against Defendants are well-grounded in law and fact and that breaches of fiduciary duty under ERISA occurred in this case. However, as with any litigated case, Members of the Settlement Class would face an uncertain outcome if the Action were to continue against Defendants. Continued litigation of the Action could result in a range of possible recoveries, including a judgment or verdict greater or less than the recovery under the Settlement Agreement, or no recovery at all.

Class Counsel believe that this Settlement reflects a reasonable compromise in light of the range of possible outcomes. Class Counsel believe that the Settlement is preferable to continued litigation and is in the best interest of the Members of the Settlement Class because the Settlement provides certainty with respect to the amount of recovery and results in a prompt recovery.

Throughout this litigation, Defendants have denied and continue to deny the claims and contentions alleged by Plaintiffs. Defendants believe they will prevail on the merits of this case. Nevertheless, Defendants have concluded that it is desirable for the Action to be fully and finally settled as to them and the other Releasees on the terms and conditions set forth in the Settlement Agreement.

The Court has not ruled in favor of either side. Both sides agreed to the Settlement to ensure a resolution and avoid the cost and risk of further litigation.

STATEMENT OF FEES AND EXPENSES INCURRED BY THE INDEPENDENT FIDUCIARY AND THE SETTLEMENT ADMINISTRATOR

An Independent Fiduciary is evaluating the Settlement and will be asked to authorize the Settlement on behalf of the Plan. The fees and expenses incurred by the Independent Fiduciary (including fees and expenses incurred by consultants, attorneys, and other professionals retained or employed by the Independent Fiduciary) in the course of evaluating and authorizing the Settlement on behalf of the Plan, up to \$20,000, will be deducted from the Gross Settlement Amount.

A Settlement Administrator has been engaged to mail the notice to the Members of the Settlement Class, administer the Settlement and allocate the Net Settlement Amount among Members of the Settlement Class. The fees and expenses for the Settlement Administrator will be paid from the Gross Settlement Amount.

STATEMENT OF ATTORNEY'S FEES AND EXPENSES AND PLAINTIFFS CASE CONTRIBUTION AWARDS SOUGHT IN THE ACTION

Class Counsel will submit a fee petition to the Court in which they will ask the Court to award them attorneys' fees in an amount not to exceed 33% of the Gross Settlement Amount, plus reimbursement of out-of-pocket costs and expenses advanced by Class Counsel and reasonably incurred in prosecuting the Action. In addition, Class Counsel will request that the Court award Case Contribution Awards in the amount of \$7,500 to each of the three named Plaintiffs.

QUESTIONS AND ANSWERS

1. Why did I receive a notice in the mail?

You received a notice because you or someone in your family is or may have been a participant in or a beneficiary of the Plans at some time between July 1, 2015 and December 31, 2023.

The Court ordered this notice to be sent to you because you have a right to know about the Settlement and all the options available to you regarding the Settlement before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be allocated among Members of the Settlement Class according to a Court-approved Plan of Allocation.

The Court in charge of this case is the United States District Court for the District of Maryland. The individuals who sued are called “Plaintiffs,” and the parties they sued are called the “Defendants.” The legal action that is the subject of this notice and the Settlement is titled *Moler, et al., v. University of Maryland Medical System, et al.*, Case No. 1:21-cv-01824 (D. Md.).

2. What is the Action about?

The Action claims that the Defendants were fiduciaries to the Plans and violated fiduciary duties of prudence under ERISA that they owed to the Plan’s participants and beneficiaries. Plaintiffs allege Defendants breached certain fiduciary duties by causing the Plan to incur higher administrative fees and expenses than reasonable and necessary. Plaintiffs also allege Defendants breached certain fiduciary duties by selecting and continuing to offer certain investment options to the Plans participants under the Plans’ investment lineups. In the Complaint, Plaintiffs have asserted causes of action for losses they contend were suffered by the Plans as the result of these alleged breaches of fiduciary duty by the Defendants.

Defendants deny each and every allegation of wrongdoing made in the Complaint and contend that they have no liability in the Action. Defendants specifically deny the allegations that they breached any fiduciary duty or any other provisions of ERISA in connection with the administrative fees or expenses incurred by the Plans, or the investments in the Plans, and further deny that they acted imprudently or disloyally to the Plans’ participants and beneficiaries.

3. Why is this case a class action?

In a class action, one or more plaintiffs called “Class Representatives” sue on behalf of a large number of people who have similar claims. All the individuals on whose behalf the Class Representatives are suing are “Class Members.” One court resolves the issues for all Class Members. In its order setting the Final Fairness Hearing, the Court preliminarily certified the Settlement Class in the Action.

The Class Representatives in this Action, Martin P. Moler; John T. Czahor; and Kathleen

D’Ascenzo, were participants in the Plans during the Class Period and are referred to as the “Plaintiffs.”

4. Why is there a settlement?

The Court has not reached any final decision in connection with Plaintiffs’ claims against the Defendants. Instead, Plaintiffs and Defendants have agreed to a Settlement. In reaching the Settlement, they have avoided the cost, risks, time, and disruption of prolonged litigation and trial.

Class Counsel believe that the Settlement is the best option for the Settlement Class Members, as described above in the section entitled “Statement of Potential Outcome of the Action.”

5. How do I know whether I am part of the Settlement Class?

The Court has conditionally certified that this Settlement shall proceed on behalf of everyone who fits the following description:

All persons who were participants in or beneficiaries of the Plans at any time during the Class Period.

The “Class Period” is defined as July 1, 2015 through December 31, 2023. A person was a participant in or beneficiary of the Plans during the Class Period if they had an account balance in the Plans during such period.

THE SETTLEMENT BENEFITS

6. What does the Settlement provide?

The Settlement provides that Defendants will pay \$3,250,000 (the “Gross Settlement Amount”) into an account at a financial institution identified by Class Counsel and/or the Settlement Administrator. The net amount of the Gross Settlement Amount, after payment of Court-approved attorneys’ fees and costs, Case Contribution Awards to the Plaintiffs, and any expenses incurred administrating the Settlement, will be allocated to the Members of the Settlement Class according to a Plan of Allocation to be approved by the Court if and when the Court enters an order finally approving the Settlement.

7. How much will my payment be?

If you qualify, you will receive a *pro rata* share of the Net Settlement Amount. Class Counsel will file a detailed Plan of Allocation in advance of the Final Fairness Hearing. The Plan of Allocation will describe the manner in which the Net Settlement Amount will be distributed to Members of the Settlement Class. In general terms, the Plan of Allocation will provide that each Settlement

Class Member's share of the Net Settlement Amount will be calculated as follows:

A. The Settlement Administrator will calculate an average account balance for each Settlement Class Member based on his or her total quarter-ending account balance invested in the Plans for the Class Period ("Average Account Balance").

B. The Settlement Administrator will sum the Average Account Balances for all Settlement Class Members.

C. The Settlement Administrator will then determine the total settlement payment available to each Settlement Class Member by calculating each such person's pro-rata share of the Net Settlement Amount based on his or her Average Account Balance compared to the sum of the Average Account Balances for all Settlement Class Members.

D. If the dollar amount of the settlement payment to a Settlement Class Member is calculated by the Settlement Administrator to be less than \$25.00, then that Settlement Class Member's payment or pro rata share shall be zero for all purposes.

E. The Settlement Administrator's calculations regarding settlement payments will be final and binding under the Court-approved Plan of Allocation.

8. How can I get a payment?

If the Settlement is given final approval, you will **not** have to do anything to get a payment from the Settlement if you are entitled to one under the Plan of Allocation.

9. When will I get my payment?

The balance of the Net Settlement Amount will be allocated to Members of the Settlement Class pursuant to the Plan of Allocation after final approval has been obtained for the Settlement, including any appeals. Any appeal of the final approval may take a year or more. Please be patient.

There will be no payments if the Settlement is terminated.

The Settlement may be terminated on several grounds, which are described in the Settlement Agreement. In the event any of these conditions occur, there will be no Settlement payment made, and the litigation will resume.

10. Can I opt out of the Settlement?

No. In some class actions, class members have the opportunity to exclude themselves from the Settlement. This is sometimes referred to as "opting out" of the Settlement. Because of the legal issues involved in the Action, however, the class of participants affected by this Settlement has been preliminarily certified as a mandatory class. This means you cannot opt out of the benefits

of the Settlement in order to pursue your own claims or for any other reason. **Therefore, you will be bound by any judgments or orders that are entered in this Action, and if the Settlement is approved, you will be deemed to have released Defendants from any and all claims that were or could have been asserted in this case on your behalf or on behalf of the Plans or that are otherwise included in the release in the Settlement, other than your right to obtain the relief provided to you, if any, by the Settlement.**

Although you cannot opt out of the Settlement, you can object to the Settlement and ask the Court not to approve the Settlement, as described below.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in the Action?

The Court has preliminarily designated Tycko & Zavareei LLP; Edelson Lechtzin LLP; and McKay Law, LLC as Class Counsel for the Settlement Class. If you want to be represented by your own lawyer, you may hire one at your own expense.

12. How will the lawyers be paid?

Class Counsel will file a petition for the award of attorneys' fees and expenses by April 5, 2024, after which a copy will be posted on the settlement website www.UMMSERISASettlement.com. This petition will be considered at the Final Fairness Hearing. Class Counsel have agreed to limit their application for an award of attorneys' fees to not more than 33% of the Settlement Amount, plus out-of-pocket costs.

Plaintiffs will also request a Case Contribution Award from the Gross Settlement Amount to compensate them for the time and effort they spent assisting with the investigation and prosecution of the case. Class Counsel will request that the Court approve case contribution awards of \$7,500 for each of the three Plaintiffs.

You have the right to object to this aspect of the Settlement even if you approve of the other aspects of the Settlement.

OBJECTING TO THE SETTLEMENT OR THE ATTORNEYS' FEES

You can tell the Court that you do not agree with the Settlement or some part of it.

13. How do I tell the Court that I object to the Settlement?

If you are a Member of the Settlement Class, you can object to the Settlement if you disagree with any part of it. You can give reasons why you think the Court should not approve the Settlement. The Court will consider your views. To object, you must send a letter or other written filing saying that you object to the Settlement. Be sure to include the following case caption and notation: "*Moler, et al., v. University of Maryland Medical System, et al.*, Case No. 1:21-cv-01824 (D. Md.)." In addition, your objection must also include your name, address, telephone number,

signature, and the reasons why you object to the Settlement. Any objection must be signed by the Settlement Class member even if an attorney is retained by the Settlement Class member. **Mail the objection to each of the addresses listed below, postmarked no later than April 22, 2024. You must mail your objection by this date. If you fail to do so, the Court will not consider your objections.** If you plan to speak at the Fairness Hearing, you must send a Notice of Intention to Appear along with your objection, as described below:
