2. **RECITALS.**

a. Plaintiff filed this Action on March 5, 2020, on behalf of herself and other similarly situated persons who were towed by Defendant from a location within Hillsborough County and were charged and paid storage fees when their vehicle was stored in Larsen’s impound lot less than 24 hours, but they were billed for more than one day or were billed for one day when their vehicle was stored in Larsen’s impound lot less than 6 hours. Plaintiff filed a three-count Second Amended Complaint, which is the operative pleading in this case. Dkt. 50. Count I is a class action allegation under the Florida Consumer Collection Practices Act (“FCCPA”) alleging Larsen’s illegally overcharged the Plaintiff and the Class for mileage fees in violation of § 559.72(9), Fla. Stat. (2020). Count II is a class action allegation also brought under the FCCPA alleging Larsen’s illegally overcharged the Plaintiff and the Class for storage fees in violation of § 559.72(9), Fla. Stat. Count III is a class action allegation brought under Florida’s Deceptive and Unfair Trade Practices Act (“FDUTPA”), *see* § 501.204(1), Fla. Stat. (2020), for actual damages under the two FCCPA counts.

b. This Court entered its Order Granting, in part, and Denying, in part, Plaintiff’s Motion for Partial Summary Judgment and Order Granting, in part, and Denying, in part Defendant’s Motion for Final Summary Judgment on September 12, 2022 (“SJ Order”). Dkt. # 80. The SJ Order found that both the FCCPA and FDUTPA applied to Larsen’s business and found that it violated each as to Purnell’s Counts II and III, but granted summary judgment for Larsen’s as to Count I, finding that Larsen’s did not overbill Plaintiff for mileage.

c. The Settling Parties engaged in pre-class certification discovery and investigations, both formal and informal, as part of settlement negotiations. Through such negotiations, the Defendant has agreed to produce the Class Data to Plaintiffs containing transaction history data for all putative Class Members during the Class Period. The Settling

Parties will review and have an opportunity to consider and analyze the Class Data for themselves as part of this Agreement. The Class Data shall not be used by Plaintiff for any other purpose than to provide a Class List to the Settlement Administrator and as otherwise required to administer this Settlement.

d. Plaintiff and Class Counsel have participated in extensive settlement discussions with counsel for the Defendant, including mediation on December 5, 2022, and thereafter overseen by Brad Kimbro, Esquire, who is a certified mediator in Florida's state and federal courts.

e. Following the mediation conference on December 5, 2022, the Settling Parties reached a mediated agreement on December 9, 2022 with respect to the material terms that subsequently formed the basis of this Agreement. As a result of the mediation and settlement process, the discovery in this case, and subsequent negotiations between the Settling Parties with respect to the terms and conditions of this Agreement, the Settling Parties have agreed to settle this Action according to the terms of this Agreement.

f. At all times, the Settling Parties have negotiated vigorously with each other and at arm's length. The Settling Parties have investigated the facts relating to the claims alleged in the Action, and have made a thorough study of the legal principles applicable to the legal claims that have been asserted. Based upon that investigation, Class Counsel's legal evaluation, and taking into account the contested legal and factual issues involved, including an assessment of the uncertainties of litigation and the relative benefits conferred upon Class Members pursuant to this Agreement, Plaintiff and Class Counsel have concluded that this Agreement and the terms and conditions set forth herein are fair, reasonable and adequate, and in the best interests of Plaintiff and the Class Members.

g. The Settling Parties recognize that notice to Class Members of the material terms of this Agreement, as well as Court approval of the Agreement, are required to effectuate the Agreement, and that this Agreement will not become operative unless and until the Court grants final approval and the Agreement otherwise becomes effective as set forth herein.

h. The Defendant has asserted, and in the absence of this Agreement would continue to assert, numerous defenses to the claims alleged in the Action, and expressly deny each of the claims asserted against them and any and all liability arising out of the conduct alleged in this Action. The Defendant asserts that their billing practices are lawful and not improper in any manner and deny that either the Plaintiff or the putative Class Members suffered any cognizable injury as a result of their conduct. By entering into this Agreement, the Defendant does not admit any wrongdoing, and this Agreement does not and shall not constitute an admission of liability by them.

i. This Settlement is based upon the definition of “Settlement Class” and “Class Member” set forth in this Agreement. The Parties agree that the Defendant shall not be precluded from opposing class certification in further litigated proceedings in this Action if this Settlement is not finally approved, or in any other action on the basis of this Settlement Agreement if the question arises. No agreements made by or entered into by the Defendant in connection with this Settlement may be used by Plaintiff, any Class Member, Class Counsel, or any other person to establish any of the elements of class certification in any litigated or contested certification or decertification proceedings, whether in this Action or any other proceeding.

j. It is therefore agreed by and between the undersigned Settling Parties that this Action shall be settled, subject to the approval of the Court, pursuant to the terms and conditions that follow.

3. **SETTLEMENT CLASS DEFINITION, CLASS PERIOD, AND CONDITIONS AND OBLIGATIONS RELATING TO THE EFFECTIVENESS OF THE SETTLEMENT.**

a. Settlement Class Definition. The “Settlement Class” is defined as each person who at any time only during the Class Period:

- (1) were towed by Larsen’s from a location within Hillsborough County; and
- (2) were charged and paid storage fees when their vehicle was stored in Larsen’s impound lot less than 24 hours, but they were billed for more than one day; and/or
- (3) were billed for one day when their vehicle was stored in Larsen’s impound lot less than 6 hours.

But excluded from the foregoing group are any claims of such persons who, prior to the Opt-Out Deadline: (a) have been fully resolved through litigation, release, or settlement, including but not limited to those persons who negotiated and settled with the Defendant previously over the amount of the fees and charges for the towing of their vehicle or (b) are the involved in any pending litigation with Defendant over their towing fees and charges.

b. Conditions of Settlement. This Agreement is expressly contingent upon the material conditions set forth below in paragraphs 3.c and 3.d, which must be satisfied in full.

c. Condition No. 1: Court Approval. The first condition, is that the Court must approve this Agreement in accordance with the following steps:

i. Preliminary Approval of Proposed Settlement Class: After good faith consultation with the Defendant's counsel, Class Counsel will present a Preliminary Approval Motion to the Court. The Preliminary Approval Motion shall include a Class Notice, in substantially similar form as "Exhibit A," and a Preliminary Approval Order, in substantially similar form as "Exhibit B." The Defendants may either join in the Preliminary Approval Motion or not oppose it, and in either event, shall cooperate in good faith with Plaintiff as she takes reasonable steps to secure expeditious entry by the Court of the Preliminary Approval Order and to request that the Court schedule a Final Approval Hearing at the earliest reasonable date following the Preliminary Approval Date.

ii. Settlement Class Certification. In connection with the proceedings on preliminary and final approval of this Agreement and the proposed settlement described herein, the Plaintiff shall seek orders (preliminary and final, respectively) certifying the Settlement Class pursuant to Florida Rule of Civil Procedure 1.220 for purposes of this settlement only. If this Agreement is not finally approved by the Court or if this Agreement is otherwise terminated or rendered null and void, the

certification of the above-described Settlement Class shall be automatically vacated and shall not constitute evidence or a binding determination that the requirements for certification of a class for trial purposes in this Action or any other action can be or have been satisfied; in such circumstances, the Defendant reserves and shall have all rights to challenge class certification in this Action and any other action on all available grounds as if no Settlement Class had been certified.

iii. Entry of Preliminary Approval Order. The Court shall enter a Preliminary Approval Order in substantially similar form as Exhibit B, which shall, among other things, meet the requirements set forth under Section 8 of this Agreement, and shall not be opposed by the Defendant.

iv. Issuance of Class Notice. Pursuant to the Preliminary Approval Order to be entered by the Court, the Settlement Administrator shall cause the Class Notice to be issued in accordance with Section 6 of this Agreement in the form as attached to this Agreement as **“Exhibit A.”**

v. Final Approval Hearing. In connection with the Preliminary Approval Motion, the Settling Parties shall request that the Court schedule and conduct a hearing after dissemination of Class Notice, at which time it will consider whether the Agreement and the settlement described herein is fair, reasonable, and adequate pursuant to Florida Rule of Civil Procedure 1.220(e). Specifically, the Plaintiff and Class Counsel, after good faith consultation with and without opposition from counsel for the Defendant, shall request that, on or after the Final Approval Hearing, the Court: (a) enter the Final Approval Order and Judgment in substantially similar form as “Exhibit C,” granting final approval of this Agreement and the settlement described herein, and dismissing with

prejudice this Action; (b) determine the attorneys' fees, costs, and other expenses (including class administration expenses) that should be awarded to Class Counsel as contemplated in this Agreement; and (c) determine the class representative service award or incentive award that should be awarded to the Plaintiff as Class Representative, as contemplated in this Agreement. The Settlement Parties agree to support entry of Final Approval Order and Judgment, and to reasonably cooperate with one another in seeking entry of the Final Approval Order and Judgment.

d. Condition No. 2: Finality of Judgment. The second condition is that the Court shall enter a Final Judgment Granting Final Approval to Class Action Settlement in substantially similar form as Exhibit C. The Final Judgment must be Final in accordance with this Settlement Agreement, and shall, among other things, meet the requirements set forth under Section 9 of this Agreement.

4. **PAYMENT AND CORRECTIVE ACTION.**

a. Payment to Class Members. Class Members will receive payment of the Settlement Amount Due in accord with this paragraph 4.a. The Defendant will pay to each Class Member the total sum of \$85.00. The Defendant's act of sending funds through the Class Administrator to each of the Class Members as part of this Agreement, shall not be a violation of any federal or state consumer protection statutes.

b. Establishment of Settlement Fund. Within thirty-five (35) days of the Effective Date and provision of complete wire instructions and a W-9 for the Settlement Administrator, the Defendant shall tender the Aggregate Settlement Amount to the Settlement Administrator, which shall be deposited by the Settlement Administrator into an interest-bearing escrow account with a federally-chartered national bank and shall be distributed as set forth in this

Agreement. The portion of monetary relief to be paid to Class Members by check and the Cy Pres Amount (*see* paragraph 4.f) shall be paid from this Settlement Fund. In addition to the Settlement Fund, certain other monetary payments, including Class Counsel's attorneys' fees and costs, Plaintiff's service or incentive award, and the fees and expenses of the Settlement Administrator, will also be paid separately by the Defendant and are addressed in Section 5 of this Agreement.

c. Payments From Settlement Fund. Within fifteen (15) business days of the date on which the Aggregate Settlement Amount is deposited into the Settlement Fund, the Settlement Administrator shall allocate and distribute the Settlement Fund to the Class Members. The payment by check will be in the amount per paragraph 4.a.

d. Distribution of Settlement Payments. The Class Administrator shall allocate and timely disburse the Class Funds to Class Members by check as set forth above in paragraphs 4.a. and 4.c.

e. Re-Mailing of Returned Settlement Payments. Any Settlement Payments that are returned as non-deliverable with a forwarding address shall promptly be re-mailed by the Settlement Administrator to such forwarding address. To the extent that any Settlement Payments are returned as non-deliverable without a forwarding address, the Settlement Administrator will utilize manual address locator services to locate a new address, which cost will be borne by the Defendant, and the Settlement Administrator will resend a new check to said Class Member. If following the manual address locator services the Settlement Payment is returned as non-deliverable without a forwarding address, the Settlement Administrator shall not be required to take any additional steps to locate valid address information for the intended recipients of such Settlement Payments. Nothing in this paragraph shall alter, amend, or abridge the ninety (90) day period described in paragraphs 4.f.

f. Period to Accept Payment By Check, Handling of Unclaimed Funds & Cy Pres Amount. Class Members shall have ninety (90) days from the date of issuance of their check to cash the check. Checks remitted to Settlement Class Members (and the accompanying cover letter) shall state “VOID AFTER 90 DAYS” which shall be printed in bold and in a font size that is larger than all other font sizes used on the check and cover letter, respectively. To the extent any checks, for any reason, are not negotiated within ninety (90) days after the date of issuance, such checks shall be cancelled and deemed Void Checks. Neither the Settlement Administrator nor the Defendant shall have any further obligation to continue efforts to distribute any payment for any Settlement Amounts Due to such Settlement Class Members whose checks become void under this paragraph. The Class Notice shall inform Settlement Class Members that any Settlement Amounts Due paid by check shall be void after ninety (90) days and that the Settlement Class Member will waive any right to payment of the Settlement Amount Due if the check is not negotiated within that ninety (90) day period. The Settlement Administrator shall pay all funds attributable to the Void Checks to Operation Helping Hand, Inc., which the Parties agree to be a charitable legal organization that is mutually acceptable to the Settlement Parties and will be the exclusive cy pres recipient. The Settlement Administrator shall pay the Cy Pres Amount within seven (7) days of the date on which the ninety (90) day period expires to Class Counsel, who will forward payment to the cy pres recipient. The Settlement Administrator shall only disburse the Cy Pres Amount to the cy pres recipients upon first receiving from Class Counsel a W9 for the cy pres recipient.

g. Final Accounting. Within seven (7) days of the first of the calendar month following disbursement of the Cy Pres Amount, the Settlement Administrator shall provide a detailed final accounting to the Settling Parties, and shall file it with the Court. The Settlement

Administrator shall also provide a declaration concerning the notice process and shall respond to requests for information from the Settling Parties at any time.

h. Total Consideration. In consideration for the Class Release set forth under Section 11 of this Agreement, the Defendant shall have no obligation to provide any benefit or payment other than: (1) payment of the Aggregate Settlement Amount; (2) a payment not to exceed \$150,000.00 for Class Counsel's attorneys' fees and \$5,000.00 for Class Counsel's expenses; (3) a payment not to exceed \$6,000.00 to Plaintiff for her service as class representative; and (4) the fees and expenses of the Settlement Administrator as set forth in paragraph 5.d, not to exceed \$15,000

i. No person shall have any claim against the Settling Parties, the Class Members, Class Counsel, or the Settlement Administrator based on payments made in accordance with the procedures set forth in this Agreement.

5. **ADDITIONAL SETTLEMENT PAYMENTS**

a. Additional Payments. As set forth in paragraphs 5.b through 5.d, and subject to paragraph 4.h., above and the approval of the Court, Defendant shall pay Class Counsel's attorneys' fees and expenses, the agreed upon service or incentive award to the Plaintiff as Class Representative, and the fees and expenses of the Settlement Administrator, which shall be exclusive of and in addition to the payments made to the Class Members under paragraph 4.a and shall not otherwise reduce or diminish the amount of the Settlement Fund.

b. Class Counsel's Attorneys' Fees and Expenses. In conjunction with the settlement of this Action, Class Counsel may apply to and ask the Court for an award of attorneys' fees and costs in an amount not to exceed \$150,000.00 in fees and \$5,000.00 in costs, which award shall not be opposed by the Defendant. Class Counsel and counsel for the Defendant separately negotiated this amount as the maximum amount of attorneys' fees and costs that Class Counsel may

seek from the Court without objection from the Defendant. Class Counsel agrees that these amounts will compensate Class Counsel for all work already performed and all of the work remaining to be performed in this Action (including but not limited to securing Court approval of the Settlement, ensuring that the Settlement is fairly administered and implemented, responding to inquiries from Settlement Class Members, obtaining dismissal of the Action, etc.), and all associated costs and expenses as discounted by Class Counsel for settlement purposes. Provided the total fees and costs awarded by the Court do not exceed \$155,000.00 (combined), the Defendant shall pay the attorneys' fees and costs awarded by the Court in the Final Order and Judgment in the Action within ten (10) days after the Effective Date or the provision of a completed W-9 and wiring instructions acceptable to the Defendant for the Class Counsel designated to receive the fees and costs, whichever occurs later. The attorneys' fees and costs shall be disbursed to Class Counsel only after the Defendant receives from Class Counsel a W-9 for the law firm designated to receive the transfer of funds and sufficiently detailed wiring or other payment instructions. Class Counsel will designate a single law firm among them who will provide the Defendant with a W-9 and payment instructions. After receiving the disbursed fees and costs, the law firm designated by Class Counsel to receive the fees and costs shall be solely responsible for distributing such funds to Class Counsel. In no event shall the Defendant be obligated to pay attorneys' fees and costs in an amount greater than \$155,000.00 in connection with this Action or the settlement of these claims. If for any reason the Final Order and Judgment do not become final (*i.e.*, the Effective Date does not occur), the Defendant shall have no obligation to pay any attorneys' fees or costs to Class Counsel. If for any reason an award of Attorneys' Fees and Expenses exceeds \$155,000.00, Class Counsel hereby agrees to forego the amount of the award in excess of \$155,000.00. In the event the Court awards Class Counsel less than \$155,000.00 in Attorneys' Fees and Expenses, this Agreement shall nevertheless remain in

full force and effect. However, notwithstanding the foregoing, such amounts shall not cover any claims for attorneys' fees and costs incurred in any post-judgment appellate proceedings, or proceedings to enforce the Agreement or the Final Order and Judgment, or proceedings in aid of execution, which claims, and any defenses thereto are expressly reserved by the Settling Parties.

c. Class Representative Service or Incentive Award to Plaintiff. Subject to the Court's approval, the Defendant will pay a class representative service or incentive award of \$6,000.00 to Plaintiff for her time, efforts, and expenses as Class Representative on behalf of the Class Members. This \$6,000.00 award to Plaintiff shall be delivered to Class Counsel within ten (10) days after the Effective Date or the provision of a completed W-9 for the Plaintiff, whichever occurs later, who will then be responsible for forwarding the Service Award to her. The Settling Parties agree that such award paid to Plaintiff shall be paid separately and in addition to any other amounts set forth herein and shall not otherwise reduce or diminish the Settlement Fund, the amount awarded for attorneys' fees and costs, and/or Settlement Administrator's fees and costs.

d. Settlement Administrator's Fees and Costs. The Defendant shall pay all fees and costs of the Settlement Administrator including, without limitation, all amounts billed in connection with the distribution of the Class Notice, distribution of Settlement Payments, and all other functions agreed upon and requested by the Settling Parties or as set forth in the Settlement Agreement subject to a maximum amount to be paid by Defendant of \$15,000.00. Prior to performing any work, the Settlement Administrator shall provide the Settling Parties with an estimate of its fees and costs related to the administration of this Settlement, and the amount paid to the Settlement Administrator in connection with this Settlement shall not exceed that amount absent a showing by the Settlement Administrator of good cause.

6. **NOTICE OF SETTLEMENT**

a. Following the Court's Preliminary Approval Order, notice of the material terms of this Agreement and the settlement described herein shall be sent to the Class Members by direct regular mail based on the records available to the Defendant, and as set forth below.

b. The Settling Parties will request the Court to determine that the proposed procedures for notice set forth below are in compliance with Florida Rule of Civil Procedure 1.220 and the putative Class Members' due process rights.

c. The Settlement Administrator shall be responsible for printing and mailing the Class Notice to all putative Class Members, as directed and approved by the Court in its Preliminary Approval Order, and in the form attached hereto as Exhibit A.

d. Within thirty (30) days after the Court's Preliminary Approval Order, the Defendant, in cooperation with Class Counsel, shall confirm and transmit to the Settlement Administrator an updated database containing the last known contact information for all putative Class Members, including names and addresses (to the extent reasonably available in database format) (the "Class List"). The Settlement Administrator shall maintain the confidentiality of the Class List and shall undertake best efforts to verify and update the Class List by cross-referencing the Class List against the United States Post Office National Change of Address Database.

e. Within 15 days after receiving the Class List in accordance with paragraph 6.d, or as soon as reasonably practicable thereafter, the Settlement Administrator shall mail, via regular United States mail, the Class Notice to the putative Class Members. The Class Notice shall provide notice of the Action and direct Class Members to a website, where they may receive further information regarding the definitions of the Settlement Class and putative Class Members' objection rights and opt-out rights. The Class Notice will further direct putative Class Members to

contact Class Counsel or the Settlement Administrator if they have any questions regarding the Settlement.

f. Non-Deliverable Class Notices. If any Class Notices are returned as non-deliverable, and a forwarding address is provided, the Settlement Administrator shall re-mail the Class Notice to the forwarding address within five (5) business days. If any Class Notices are returned as non-deliverable, and no forwarding address is provided, the Settlement Administrator shall have no further obligation to locate a valid address for any affected putative Class Member. Any payment to that non-deliverable address will become part of the Cy Pres fund.

g. Declaration of Due Diligence in Providing Notice. At least one week prior to the filing of Plaintiffs' Final Approval Motion, or as requested by the Settling Parties, the Settlement Administrator shall provide counsel for the Settling Parties with a declaration setting forth: (a) due diligence and proof of mailing of the Class Notices; (b) the total number of putative Class Members who were sent Class Notices; and (c) the total number of putative Class Members who submitted timely requests for exclusion or objections to this Agreement and/or the settlement described herein, along with the complete copies of all requests for exclusion and objections received, including the postmark dates for each request for exclusion or objection. Class Counsel shall file the declaration with the Court prior to the Final Approval Hearing.

7. OPT-OUTS AND OBJECTIONS

a. Requests for Exclusion: The Class website shall provide that putative Class Members who wish to exclude themselves from the Settlement Class must submit a written statement requesting exclusion (or "opt-out"), postmarked no later than the Opt-Out Deadline. Such written request for exclusion must state the case name (*Purnell v. Larsen's Automotive, Inc.*), contain the name and address of the putative Class Member requesting exclusion, and be personally

signed by the putative Class Member who seeks to opt out. No opt-out request may be made on behalf of a group of putative Class Members. The opt-out request must be sent by mail to the Settlement Administrator and must be timely postmarked on or before the Opt-Out Deadline. The U.S. Mail postmark date of the mailing envelope shall be the exclusive means used to determine whether an opt-out has been timely submitted. The Settlement Administrator shall provide the Settling Parties with copies of all opt-out requests on a weekly basis. Any putative Class Member who requests exclusion from (*i.e.*, opts out of) the Settlement Class will not be entitled to any Settlement Payment, will not be bound by this Agreement or the settlement and will not have any right to object, appeal or comment thereon.

b. Objections: The Class website shall provide that any putative Class Member who wishes to object to the Settlement Agreement must file a written statement of objection with the Clerk of Court and mail such objection (with the requisite postmark) to Class Counsel and Larsen's counsel no later than the Objection Deadline. The Notice of Objection must include: (a) the case name and number; (b) the factual and legal basis for the objection; (c) the objector's name, address, telephone number, and, if represented, the same contact information of the objector's counsel; (d) a statement of whether the objector intends to appear at the Final Approval Hearing, either with or without counsel; and (e) the objector's personal signature. The U.S. Mail postmark date of the mailing envelope shall be the exclusive means used to determine whether an objection has been timely submitted. Class Members who fail to make objections in the time and manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Agreement, the settlement described herein, the Preliminary Approval Order, the Final Order and Judgment, or any other order of the Court relating thereto.

8. **PRELIMINARY APPROVAL**

a. Preliminary Approval Motion. After good faith consultation with counsel for the Defendant, Class Counsel will present a Preliminary Approval Motion to the Court as soon as practical. The Preliminary Approval Motion shall include the Settling Parties' proposed Class Notice (in substantially similar form as Exhibit A), and Preliminary Approval Order (in substantially similar form as Exhibit B). The Settling Parties shall, in good faith, take reasonable steps to secure expeditious entry by the Court of the Preliminary Approval Order and shall request that the Court schedule a Final Approval Hearing within a reasonable period after the Preliminary Approval Date.

b. Entry of Preliminary Approval Order. Class Counsel shall request the Court to enter a Preliminary Approval Order in substantially similar form as Exhibit B, which shall, among other things, comply with the requirements set forth in paragraph 3.c.iii, and:

i. Certify for purposes of settlement only the Settlement Class, approving Douglas Bauer as class representative, and appointing Class Counsel as counsel for the Settlement Class pursuant to Florida Rule of Civil Procedure 1.220;

ii. Preliminarily approve the Agreement and settlement as fair, reasonable, and adequate such that a presumption of fairness is appropriate;

iii. Order the issuance of Class Notice to the putative Class Members, and determine that Class Notice complies with all legal requirements, including, but not limited to Rule 1.220 and the Due Process Clause of the United States Constitution;

iv. Schedule a date and time for a Final Approval Hearing after the Order preliminarily approving the Settlement Agreement to determine whether the Agreement and settlement should be finally approved by the Court;

v. Require putative Class Members who wish to exclude themselves from the Settlement to submit an appropriate and timely written request for exclusion by the Opt-Out Deadline, as directed in the Settlement Agreement and Class Notice, and advise that putative Class Members who fail to do so shall remain Class Members and be bound by the Agreement, the settlement described herein, the Class Release set forth in paragraph 11.a, and all orders of the Court relating thereto.

vi. Require putative Class Members who wish to object to the Settlement Agreement to submit an appropriate and timely written statement by the Objection Deadline, as directed in the Agreement and Class Notice, and advise that a failure to do so shall prevent those Class Members from objecting to the Settlement;

vii. Preliminarily bar and enjoin each and every Class Member (excluding those Class Members who submit a timely and valid request to opt-out) from bringing or joining in any action against the Defendant asserting a Released Claim;

viii. Require attorneys representing any Class Member, at the Class Member's expense, to file a notice of appearance;

ix. Authorize the Settling Parties to take all necessary and appropriate steps to establish the means necessary to implement the Agreement; and

x. Issue related orders to effectuate the preliminary approval of the Agreement and the settlement described herein.

9. **FINAL APPROVAL**

a. Final Approval Motion. At least 15 days before the Final Approval Hearing, or on the date set by the Court (if different), Plaintiffs shall file a motion requesting that the Court grant final approval of the Agreement and settlement, with Class Counsel filing a

memorandum of law in support of the motion and addressing any Class Member's timely submitted objections to same.

b. Matters to Be Considered at Final Approval Hearing. At the Final Approval Hearing, the Court will consider and determine whether the Agreement and settlement is fair, reasonable and adequate, whether the Settlement Class should be finally certified for settlement purposes only, whether the notice provided to Class Members constitutes the best notice practicable and satisfies Rule 1.220 and due process, whether any objections to the Agreement or settlement should be overruled, whether the claims for Class Counsel's attorneys' fees and expenses, Settlement Administrator's fees and expenses, and the Plaintiff's service or incentive award should be approved, and whether a final judgment approving the Agreement and Settlement should be entered.

c. Entry of Final Approval Order and Judgment. This Agreement is subject to and expressly conditioned upon the issuance by the Court of a Final Approval Order and Judgment, in substantially similar form as "Exhibit C," which shall, among other things, comply with the requirements of paragraph 3.d, and:

i. Find that (a) the Court has personal jurisdiction over all Class Members; (b) the Court has subject matter jurisdiction over the claims asserted in this Action; and (c) venue is proper;

ii. Finally approve the Agreement and settlement, pursuant to Rule 1.220(e) as fair, reasonable, and adequate, and that each Class Member (excluding putative Class Members who submitted a timely and valid exclusion request) shall be bound by this Agreement;

iii. Finally certify the Settlement Class for settlement purposes only;

iv. Find that the form and means of disseminating notice of the Settlement to Class Members satisfied the requirements of due process and Rule 1.220;

v. Enter final judgment with respect to the claims of all Class Members, without prejudice to any and all putative Class Members who submitted a timely and valid exclusion request;

vi. Makes the Class Release in Section 11 of this Agreement effective as of the date of the Final Approval Order and Judgment;

vii. Permanently bar and enjoin Plaintiff and each and every Class Member (excluding those putative Class Members who submitted a timely and valid exclusion request) from bringing or joining in (as class members or otherwise) any action asserting the Released Claims;

viii. Find that, by operation of the entry of the Final Approval Order and Judgment, Plaintiff and all Class Members shall be deemed to have forever released, relinquished, and discharged the Released Persons from any and all Released Claims, including all claims arising out of, relating to, or in connection with the initiation, settlement, prosecution, or dismissal of the Action;

ix. Authorize the Settling Parties to implement the terms of the Agreement;

x. Retain jurisdiction relating to the administration, consummation, enforcement, and interpretation of the Agreement, the Final Approval Order and Judgment, and for any other necessary purpose; and

xi. Issue related orders to effectuate and implement the final approval of the Agreement.

10. **TERMINATION OF AGREEMENT.** The Defendant shall have the right to unilaterally terminate this Agreement by providing written notice of their election to do so to Class Counsel within ten (10) days of: (a) the Court's final refusal to grant preliminary approval of this Agreement; (b) the Court's final refusal to grant final approval of this Agreement; (c) the date upon which the Final Approval Order is modified or reversed in any material respect by the Court or any court of appellate jurisdiction; or (d) the date upon which the Court enters any order, including, but not limited to, a preliminary approval order or final approval order, that differs in any respect from the terms or conditions contemplated in this Settlement Agreement.

11. **RELEASE OF CLAIMS**

a. **Class Release.** Subject to the approval of the Court and in consideration of the benefits inuring to the Plaintiff and the Class Members hereto, upon the Effective Date, the Plaintiff and each Class Member and his or her assigns, heirs, successors and personal representatives shall be deemed to have fully, conclusively, irrevocably, forever, and finally released, resolved, relinquished, and discharged each and all of the Released Parties from each of the Released Claims that exist in their favor. The Plaintiff and Class Members further agree that they will not institute any action or cause of action (in law, in equity, or administratively), suits, debts, liens, or claims, known or unknown, fixed, or contingent, which they may have or claim to have in state or federal court, or with any state, federal or local government agency or with any administrative or advisory body, asserting the Released Claims. These Released Claims shall include but not be limited to, all claims of any kind which Plaintiff or the Class Members have had

or now have, which were or could have been raised in the Action related to any of the Released Parties' conduct, policies, or practices concerning the charges for towing and storage of vehicles by the Defendant in Hillsborough County, Florida, including but not limited to, conduct, policies, or practices concerning the billing or collection of the same.

b. Without in any way limiting its scope, the Class Release covers by example and without limitation, any and all claims for attorneys' fees, costs, expert fees, or consultant fees, interest, or litigation fees, or any other fees, costs, or disbursements incurred by Class Counsel, the Plaintiff, or any Class Members in connection with or related in any manner to this Action, the settlement of this Action, the administration of the settlement, or the Released Claims, except to the extent otherwise specified in the Agreement.

c. The Plaintiff recognizes, and each Class Member will be deemed to recognize, that, even if they may later discover facts in addition to or different from those which they now know or believe to be true, they nevertheless agree that, upon entry of the Final Approval Order and Judgment, they fully, finally, and forever settle and release any and all claims covered by this Class Release. The Settling Parties acknowledge that the foregoing Class Release was bargained for and is a material element of the Agreement.

12. **MISCELLANEOUS**

a. **No Admission of Liability.** By entering into this Agreement, the Defendant did not make and shall not be deemed to have made any admission of liability or wrongdoing.

b. **Acknowledgment.** Each of the Settling Parties acknowledges and represents that they: (i) fully and carefully read this Agreement prior to execution; (ii) were fully apprised by counsel of the legal effect and meaning of the terms of this Agreement; (iii) had the opportunity to undertake whatever investigation or inquiry is necessary or appropriate in connection

with this Agreement; (iv) were afforded the opportunity to negotiate any and all terms of this Agreement; and (v) are executing this Agreement voluntarily and free from any undue influence, coercion, or duress of any kind.
