Preliminary Approval Order

WHEREAS, George Ochoa and Jessica Baker (“Class Representatives”) assert claims against Alltru Federal Credit Union (“Alltru”)¹ for alleged violations of Missouri Chapter 408, the Uniform Commercial Code, and common law, and seek statutory damages and other relief for themselves and for a class of persons similarly situated.

WHEREAS, the Parties stipulate to a Settlement Class, pending preliminary and final approval by the Circuit Court of the City of St. Louis, Missouri, comprising and defined as all persons with a secured collateralized loan or financing agreement with Alltru where the collateral was repossessed and where, from July 3, 2013, until June 18, 2018, Alltru mailed a presale notice stating “will or will not, as applicable” or (ii) a post-sale notice. Excluded from the Settlement Class are persons, who might otherwise fall within the Settlement Class’s scope, against whom Alltru has obtained a final deficiency judgment or who filed for bankruptcy after the date on the presale notice they were mailed concerning

¹ Alltru Federal Credit Union is the new correct name of the entity formerly known as 1st Financial Federal Credit Union.

the repossession of their personal-property collateral and whose bankruptcy ended in discharge unless the bankruptcy trustee employed special litigation counsel to pursue claims against Alltru.

WHEREAS, the Class Representatives, as members and representatives of the Settlement Class, and Alltru have entered into a "Class Action Settlement Agreement and Release" dated ²⁻¹⁸⁻²² ~~DATE~~, 2022 (the "Agreement"), which memorializes the Parties' negotiated and agreed-upon settlement as between them and a proposed Settlement Class, subject to the approval of the Court ("the Settlement").

WHEREAS, the Parties have filed a *Motion for Preliminary Approval of Class-Action Settlement, Modification of Class Definition, and Substitution of Jessica Baker for Stuart Radloff as Class Representative* (the "Motion") with the Court.

NOW THEREFORE, upon careful consideration of the Motion, and after reviewing the Agreement and making an independent judicial investigation into the allegations and defenses of the parties, and for good cause shown, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1. Under Missouri Supreme Court Rule 52.08, the Agreement and the Settlement are approved preliminarily as fair, reasonable, and adequate to the Settlement Class as defined in the Agreement, subject to further consideration at the Fairness Hearing described in Paragraph 13 of this Order.

2. The definitions in the Agreement are incorporated by reference into this Order (with capitalized terms in the Agreement).

3. Class Representatives and Alltru have executed the Agreement to settle and

resolve the Litigation as between them and the proposed Settlement Class, subject to approval of the Court.

4. Upon review of the Motion, this Court preliminarily certifies, under Missouri Supreme Court Rule 52.08, the following class of persons as a settlement class (the "Settlement Class"):

All persons with a secured collateralized loan or financing agreement with Alltru where the collateral was repossessed and to whom, from July 3, 2013, until June 18, 2018, Alltru mailed a presale notice stating "will or will not, as applicable" or a post-sale notice. Excluded from the Settlement Class are persons, who might otherwise fall within the Settlement Class's scope, against whom Alltru has obtained a final deficiency judgment or who filed for bankruptcy after the date on the presale notice they were mailed concerning the repossession of their personal-property collateral and whose bankruptcy ended in discharge unless the bankruptcy trustee employed special litigation counsel to pursue claims against Alltru.

The Court finds as to the Settlement Class that:

- a. The Settlement Class is so numerous that joinder of all members is impracticable.
- b. There are questions of law or fact common to the Settlement Class that predominate over questions affecting only individual members of the Settlement Class.
- c. Class Representatives' claims are typical of those of the members of the Settlement Class.
- d. Class Representatives and Class Counsel will fairly and adequately represent and protect the interests of the members of the proposed Settlement Class.
- e. Certification of the Settlement Class as proposed is a superior and appropriate method for the fair and efficient adjudication of the controversies between the Settlement Class and Alltru.

f. The definition of the Settlement Class, as stated in this order, modifies and supersedes the class definition provided in the Court's prior June 9, 2021, order.

g. Promptly upon the Effective Date of the Settlement (as defined in the Agreement), Alltru must write off the claimed deficiency balances concerning the loans that are the subject of the Litigation and cease all collection efforts regarding the loans that have deficiency balances and are the subject of the Litigation.

5. For this preliminary approval, and for all matters relating to the Settlement and the Litigation, the Court appoints Ochoa and Baker (acting on behalf of and for the benefit of Jerome Talamante's heirs) the Representatives of the Settlement Class and Martin L. Daesch and Jesse B. Rochman of the law firm OnderLaw, LLC, as Counsel for the Settlement Class ("Class Counsel") until further order of the Court. The Court further orders, for reasons stated in the Motion, that Baker's appointment as Class Representative and inclusion as a named plaintiff is in substitution for Stuart Radloff (and Jerome Talamante's bankruptcy estate), who is no longer a named plaintiff or class representative.

6. By this Order, the Court exercises subject-matter and personal jurisdiction over the Settlement Class to evaluate the final certification of the Settlement Class and the fairness and adequacy of the Settlement.

7. The Class Mail Notice and Long-Form Notice, as set forth in **Exhibits A** and **B** to the Agreement, are approved.

8. The Class Mail Notice in a form substantially the same as that set forth in Exhibit A to the Agreement shall be mailed by the Settlement Administrator by first-class mail, postage prepaid, to all members of the Settlement Class (as identified on **Exhibit C**

of the Agreement). Such mailing shall be made within the timeframe provided by the Agreement. The Long-Form Notice in a form substantially the same as that set forth in **Exhibit B** to the Agreement shall be provided to members of the Settlement Class on a website and mailed by first-class mail, postage prepaid, to Settlement Class Members upon their request.

9. The Agreement contemplates a notice methodology that protects the interests of the Parties and the Settlement Class and provides the best notice practicable under the circumstances and is reasonably calculated to apprise the Settlement Class Members of the pendency of the Litigation and proposed Settlement, the Agreement, and their right to opt out and exclude themselves from or object to the proposed Settlement. In addition, the Court finds the notice methodology is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice of the proposed Settlement and meets all requirements of law, including, but not limited to, Missouri Supreme Court Rule 52.08 and the Due Process Clause of the Fourteenth Amendment of the United States Constitution and the Missouri Constitution.

10. Prior to the Fairness Hearing, Class Counsel shall cause the Settlement Administrator to serve and file a sworn statement of a person with knowledge, evidencing compliance with this Order concerning the mailing of the Class Mail Notice.

11. Any member of the Settlement Class desiring exclusion from the Settlement Class shall mail a request to opt out ("Request to Opt Out") to the Settlement Administrator, American Legal Claim Services LLC, 8011 Philips Hwy, Ste. 5, Jacksonville, Florida 32256. To be valid, the Request to Opt Out must be postmarked by 5/11/22, *MB* 2022. Such Request to Opt Out shall include: (a) the name, address, telephone number, and

last four digits of the Social Security Number of the Settlement Class Member; (b) a statement that the Settlement Class Member and all other borrowers named on the Settlement Class Member's Retail Installment Contract and Security Agreement or governing loan agreement are seeking exclusion from or to opt out of the Settlement; (c) the signature of each person who was a party to the Retail Installment Contract and Security Agreement or governing loan agreement that is the subject of this Litigation (unless any such person shall be deceased, in which case the opt-out submission shall include a copy of such person's death certificate); and (d) a reference to *George Ochoa, et al.*, Case No. 1922-CC10792. Any member of the Settlement Class who does not properly and timely request exclusion or to opt out from the Settlement Class shall be included in the Settlement Class and be bound by any judgment entered with respect to the Class.

12. Within five days before the Fairness Hearing (defined below), Class Counsel shall cause the Settlement Administrator to file with the Court a sworn statement listing those persons (by reference to the unique identifier and last four digits of the person's Social Security Number—as provided on **Exhibit C** to the Agreement) who submitted timely Requests to Opt Out. The originals of all Requests to Opt Out shall be retained by the Parties.

13. A hearing (the "Fairness Hearing") shall be held before the undersigned at 10:00 a.m. on 6/6/22^{MB}, 2022, at the Twenty-Second Judicial Circuit, Division 1, 10 N Tucker Blvd., St. Louis, MO 63101. At the Fairness Hearing, the Court will consider: (a) the fairness, reasonableness, and adequacy of the Settlement; (b) the entry of any final order or judgment with respect to the Settlement Class; (c) the application for an incentive award for the services rendered by Ochoa and Baker as Representatives of the

Settlement Class; (d) the application for attorney's fees and for reimbursement of expenses by Class Counsel; and (e) other related matters. The Fairness Hearing may be postponed, adjourned, or continued by the Court without further notice to the Settlement Class.

14. To be considered at the Fairness Hearing, any person desiring to file an objection or other comment on the Settlement shall be required to file all such objections and comments and all supporting pleadings by 5/11/22 ^{WBY}, 2022, with service upon Class Counsel at 110 E Lockwood, St. Louis, MO 63119 and Alltru's Counsel at 1010 Walnut, Ste. 500, Kansas City, MO 64106, postmarked by 5/11/22 ^{WBY}, 2022. Any Settlement Class Member's objection must be in writing and shall specifically include:

- (ii) A statement of each objection asserted;

- (vi) If the objector plans to utilize expert opinion and/or testimony as part of the objection(s), a written expert report from all proposed experts that outlines each of the expert's opinions and the factual and substantive bases thereof;
- (vii) If the objector plans to call a witness or present other evidence at the hearing, the objector must state the identity of the witness and identify any documentary evidence by attaching the documents to the objection, and the objector must provide any other evidence that the objector intends to present;
- (viii) A statement of whether the objector intends to appear at the hearing;

- (ix) A copy of any exhibits which the objector may offer during the hearing;

No Objection to or other comment concerning the Settlement shall be heard unless timely filed under the guidelines specified above and in the Agreement. Class Counsel and Alltru's Counsel shall promptly furnish each other with copies of all objections or written requests to opt out that come into their possession.

15. Any Settlement Class Member who does not make his or her objection in the manner provided in this Order shall be deemed to have waived any such objection and shall forever be foreclosed from making any objection to the Settlement, including, but not limited to, the propriety of class certification, the adequacy of any notice, or the fairness, adequacy, or reasonableness of the Settlement. The procedures and requirements for filing objections to the Agreement and Settlement should ensure the efficient administration of justice and the orderly presentation of any Settlement Class Members' objections to the Agreement, in accordance with such Settlement Class Members' due process rights. Objectors who fail to properly or timely file their objections with the Clerk of the Court with the required information and documentation set forth above, or fail to serve them as provided above, shall not be heard during any hearings, nor shall their objections be considered by the Court.

16. Submissions of the Parties relative to the Settlement, including memoranda to support the Settlement, applications for attorney's fees and reimbursement of costs or

expenses by Class Counsel, and any applications for the payment of services rendered by Class Representatives of the Settlement Class, shall be filed with the Clerk of the Court at least seven days prior to the Final Fairness Hearing. Any attorney hired by a Settlement Class Member at the Settlement Class Member's expense to object to the Settlement, or to any application for an incentive award or for an award of attorney's fees, costs, or expenses, shall file with the Clerk of Court and serve upon Class Counsel and Alltru's Counsel a written notice of appearance no later than _____, 2022.

17. Any Settlement Class Member may appear at the Fairness Hearing in person, or by counsel if an appearance is filed and served as provided in the Long Form Notice, and such person will be heard to the extent allowed by the Court. No person shall be permitted to be heard unless, by 5/11/22 ^{v6} 2022, such person has (a) filed with the Clerk of the Court a notice of such person's intention to appear and (b) served copies of such notice upon Class Counsel and Alltru's Counsel.

18. All other events contemplated under the Agreement to occur after entry of this Order and before the Fairness Hearing shall be governed by the Agreement and the Class Mail Notice, to the extent not inconsistent with this Order. Class Counsel and Alltru's Counsel shall take such further actions as required by the Agreement.

19. The Parties shall be authorized to make nonmaterial changes to the Class Mail Notice and Long-Form Notice if Class Counsel and Alltru's Counsel agree.

20. All claims against and motions in the Litigation, other than such as may be necessary to carry out the terms and conditions of the Agreement or the responsibilities related or incidental thereto, are stayed and suspended until further order of this Court.

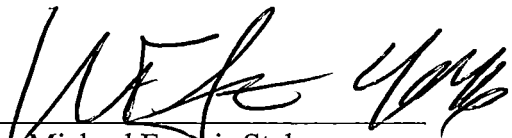

21. The "Released Claims" of the "Releasors" as against the "Released Persons," all as defined in the Agreement, other than such as may be necessary to carry out the terms and conditions of the Agreement or the responsibilities related or incidental thereto, are stayed and suspended until further order of this Court.

22. If Final Approval of the Settlement does not occur, or if the Settlement is rescinded or terminated, the Settlement and all proceedings had in connection therewith shall be null and void and without prejudice to the rights of the Parties before the Settlement was executed and made, and all Orders issued for the Settlement shall be vacated.

23. Entering into or carrying out the Agreement, and any negotiations or proceedings related to it, shall not be construed as, or deemed evidence of, an admission or concession regarding any claims or defenses alleged or asserted, or any factual or legal assertions in the Litigation, and shall not be offered or received in evidence in any action or proceeding against any party in any court, administrative agency, or other tribunal for any purpose, except in a proceeding to enforce this Order and the Agreement, or to prove or show that a compromise in settlement of the Released Claims per the Agreement was reached; provided, however, this Order and the Agreement may be filed in any action filed against or by Alltru or any Released Person to support a defense of *res judicata*, collateral estoppel, release, waiver, good-faith settlement, judgment bar or reduction, full faith and credit, or any other theory of claim preclusion, issue preclusion, or similar defense or counterclaim. The Parties expressly reserve all rights and defenses to all claims and causes of action and waive no such rights or defenses if the Agreement is not approved or fails to become effective for any reason.
