Supplemental Memorandum in Support of Motion Regarding Class Notice

In its amended order certifying the class, the Court ordered the parties to "send notice to all class members who can be identified through reasonable effort and submit a proposed notice complying with Rule 52.08(c)(3) to the Court for approval." (*See* Order dated July 18, 2025). The Court also ordered the parties to submit one joint notice showing each party's position where the parties disagree by December 26, 2025. In his original motion, Class Representative alerted the Court that the parties have no disagreement on the notice to be mailed to the class (earlier filed Exhibit A) and the long form notice (Exhibit B) to be made available to class members on a website or mailed upon request.

Class Representative's proposed Class Administrator has suggested the mail notice be sent in post-card format to save on costs for the class. That postcard version contains the same substantive information. It is attached to this Supplemental Memorandum as Exhibit A. Class Representative requests the Court approve this version. Prestige does not object to using the mail notice in the postcard format attached hereto as Exhibit A.

WHEREFORE, Class Representative Donald Mansell requests the Court approve the mail notice attached to this Supplemental Memorandum as Exhibit A and the long-form notice

previously submitted to the Court as Exhibit B, and for such other and further relief as the Court deems just.

Respectfully Submitted,
SWMW LAW, LLC

If your present address differs from the address on this notice, or if the person to whom this notice was addressed is deceased, provide the class administrator with an updated address or the name and address of the deceased person's executor or personal representative. This information shall be provided to contact the Administrator via email at info@prestigenoticeclass.com. Please put 'Change of Address' in the subject line and provide your full name, previous address, current address, and the Notice ID from your notice in the body of the email. You can also mail that information to: Prestige v Mansell Administrator, PO Box 23489, Jacksonville, FL 32241.

The remainder of this notice contains important information. Read the entire notice carefully, because the lawsuit described in this notice might affect your rights.

1. What is the purpose of this notice? This notice was sent to you by order of Judge Dennis A. Rolf of the Fifteenth Judicial Circuit Court for Lafayette County, Missouri (the "Court"). This notice tells you about the class, the lawsuit, your right to participate, and your right to opt out of the class. Nothing in this notice should be taken as an expression by the Court of any opinion on the ultimate outcome of the lawsuit, and nothing in this notice should be taken to mean you would recover anything.

2. What is this lawsuit about? On June 28, 2023, Prestige sued Donald Mansell ("Mansell" or "Class Representative") for collection of a balance due on a retail installment contract secured by his vehicle. Prestige claimed a balance remained on the retail installment contract after it repossessed and sold his vehicle.

Mansell responded to Prestige's lawsuit by asserting the notices he received after the car was repossessed and sold violated the form and content requirements of the Uniform Commercial Code. Mansell claims neither he nor any class member owes Prestige money after it repossessed and sold their vehicles, and instead, Prestige owes them money. Prestige has denied all claims against it and asserted affirmative defenses which could provide a defense to the claims of Mansell and the class members.

The Court decided this lawsuit can be pursued as a class action because it meets the requirements of Missouri Rule of Civil Procedure 52.08, which governs class actions in Missouri courts. Under the Court's certification, Mansell will act as Class Representative, and the attorney representing the Class as Class Counsel is Benjamin McIntosh of SWMW Law, LLC.

3. What are my options? You will be a class member unless you expressly request to be excluded from the lawsuit. As a class member, you will be bound by the outcome, whether the issues are decided by trial or otherwise, and whether the outcome is favorable or unfavorable. As a class member, any claims you might have regarding the facts in this lawsuit cannot be pursued in any other lawsuit.

If you wish to remain a member of the class, don't do anything and your interests and rights in the lawsuit will be represented by the Class Representative and Class Counsel.

Class members may enter an appearance individually or through additional counsel of their own choosing at their own expense, but don't have to do so.

If you wish to opt out of the class, you must mail to the Circuit Court Clerk of Lafayette County, Missouri a written Statement of Exclusion postmarked by no later than _____. The Statement of Exclusion should state: "I [or We] hereby request to be excluded from the class in Prestige v. Mansell, No. 23LF-CV00623-01," and it must be signed by all borrowers listed on the retail installment contract. The Statement of Exclusion should be addressed to: Circuit Court Clerk of Lafayette County, Missouri, Attn: Prestige v. Mansell Exclusions, 1001 Main St., Lexington, MO 64067. Persons who request exclusion from the class won't be entitled to share in the benefits of any settlement or judgment that may be reached, nor will they be bound by any settlement or judgment. If you elect to be excluded from the class, you may pursue your claims at your own expense.
